Item 5. Other Events

On October 30, 2002, the Registrant was informed that two of its outside directors, David Michael, Chairman of the Registrant's Audit Committee, and Roger Winston, Chairman of the Registrant's Board of Directors, received "Wells notices" from the Staff ("Staff") of the Securities and Exchange Commission (the "SEC" or "Commission") indicating that the Staff is considering whether or not to recommend the filing of a civil proceeding relating to the Registrant's previously reported accounting issues. Before the Staff decides whether to make such a recommendation, the directors have an opportunity to respond to such notice. The Registrant has been informed that the directors intend to respond to the Staff.

Prior to October 30, 2002, the Registrant reached an agreement in principle with the staff of the SEC to settle the SEC's claims against the Registrant in connection with the violations relating to the Registrant's previously reported accounting irregularities. The proposed settlement will include a material financial penalty and an injunction against future violations of antifraud, periodic reporting, books and records and internal accounting control provisions of the federal securities laws. The proposed settlement is subject to, among other things, approval by the SEC and the court. The Registrant can give no assurance that this proposed settlement will be approved by either the SEC or the court.

In addition, the Registrant has breached certain of its fourth quarter fiscal 2002 financial covenants contained in its Loan and Security Document dated June 10, 2002 with Transamerica Business Capital Corporation (the "Lender"). A copy of such credit facility has been filed as an exhibit to this Form 8-K. On November 1, 2002, the Registrant received a waiver of such defaults from the Lender and amended certain other provisions of the credit facility. In exchange for such waiver, the Registrant has agreed, among other things, to decrease the amount available for borrowing under the credit facility by approximately \$1.5 million until the Registrant is in compliance with the covenants contained therein or the covenants are revised based upon future negotiations between the Registrant and the Lender. A copy of the Waiver and First Amendment of the credit facility is filed as an exhibit to this Form 8-K.

The Registrant is filing as an exhibit to this Form 8-K, the Form 12b-25 filed today with respect to the Registrant's Annual Report on Form 10-K for the fiscal year ended August 3, 2002.

A copy of the Registrant's press release related to these events is filed as an exhibit to this Form 8-K.

(d) Anything in subsection (b) or (c) above to the contrary notwithstanding,

(i) if, at least one Business Day before the date of any requested LIBOR Rate Advance, the introduction of or any change in or in the interpretation of any law or regulation makes it unlawful, or any central bank or other governmental authority asserts that it is unlawful, for the Lender or any of its Affiliates to perform its obligations hereunder to make a LIBOR Rate Advance or to fund or maintain a LIBOR Rate Advance hereunder (including in the case of a Continuation or a Conversion), the Lender shall promptly give written notice of such circumstance to the Administrative Borrower, and the right of the Borrowers to select a LIBOR Rate Advance for such Borrowing or any subsequent Borrowing (including a Continuation or a Conversion) shall be suspended until the circumstances causing such suspension no longer exist, and any Advance comprising such requested Borrowing shall be a Base Rate Advance;

(ii) if, at least one Business Day before the first day of any Interest Period, the Lender is unable to determine the LIBOR Rate for LIBOR Rate Advances comprising any requested Borrowing, Continuation or Conversion, the Lender shall promptly give written notice of such circumstance to the Administrative Borrower, and the right of the Borrowers to select or maintain LIBOR Rate Advances for such Borrowing or any subsequent Borrowing shall be suspended until the Lender shall notify the Administrative Borrower that the circumstances causing such suspension no longer exist, and any Advance comprising such Borrowing shall be a Base Rate Advance;

(iii) if the Lender shall, at least one Business Day before the date of any requested Borrowing or Continuation of, or Conversion into, a LIBOR Rate Advance, notify the Administrative Borrower that the LIBOR Rate for Advances comprising such Borrowing, Continuation or Conversion will not adequately reflect the cost to the Lender of making or funding Advances for such Borrowing, the right of the Borrowers to select LIBOR Rate Advances shall be suspended until the Lender shall notify the Administrative Borrower that the circumstances causing such suspension no longer exist, and any Advance comprising such Borrowing shall be a Base Rate Advance;

(iv) there shall not be outstanding at any time more than five Borrowings which consist of LIBOR Rate Advances;

(v) each Borrowing which consists of LIBOR Rate Advances shall be in an amount equal to \$500,000 or a whole multiple of \$100,000 in excess thereof;

(vi) not more than 90% of the principal amount of Loans outstanding at any time shall consist of LIBOR Rate Advances; and

(vii) if an Event of Default has occurred and is continuing, no LIBOR Rate Advances may be borrowed or continued as such and no Base Rate Advance may be converted into a LIBOR Rate Advance.

(e) Each Notice of Borrowing, Notice of Continuation and Notice of Conversion shall be irrevocable and binding on the Borrowers. The Borrowers agree, jointly and severally, to indemnify the Lender against any loss, cost or expense incurred by the Lender as a result of (i) default by the Borrowers in making a Borrowing of, Conversion into or Continuation of a LIBOR Rate Advance after the Administrative Borrower has given notice requesting the same, (ii) default by the Borrowers in payment when due of the principal amount of or interest on any LIBOR Rate Advance or (iii) the making of a payment or prepayment of a LIBOR Rate Advance on a day which is not the last day of an Interest Period with respect thereto, including, without limitation, any loss (including loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by the Lender to fund such Advance.

SECTION 2.3. Application of Proceeds. The proceeds of the Loans shall be used by the Borrowers (i) to refinance their existing indebtedness, (ii) for their general working capital purposes, (iii) for capital expenditures and (iv) for expenses incurred by the Borrowers in connection herewith.

SECTION 2.4. Maximum Amount of the Facility; Mandatory Prepayments; Optional Prepayments.

(a) In no event shall the sum of the aggregate outstanding principal balances of the Loans and the aggregate undrawn amount of all unexpired Letters of Credit exceed the lesser of (i) the Borrowing Base and (ii) the Maximum Amount of the Facility.

(b) In addition to any prepayment required as a result of an Event of Default hereunder, the Loans shall be subject to mandatory prepayment as follows:

(i) immediately upon discovery by or notice to the Administrative Borrower that any of the lending limits set forth in Section 2.1(a) or Section 2.4(a) has been exceeded, an amount sufficient to reduce the outstanding balances of the Loans, Collateralize outstanding Letters of Credit, or any combination thereof, to the applicable maximum allowed amount shall become due and payable by the Borrowers without the necessity of a demand by the Lender;

(ii) the outstanding principal amount of the Loans shall be immediately prepaid by an amount equal to 100% of all Net Cash Proceeds which shall be applied to the outstanding principal amount of the Loans; and

(iii) the entire outstanding principal amount of the Loans, together with all accrued and unpaid interest thereon and all fees, costs and expenses payable by the Borrowers hereunder, shall become due and payable on the Expiration Date.

SECTION 2.5. Maintenance of Loan Account; Statements of Account. The Lender shall maintain an account on its books in the name of the Borrowers jointly (the "Loan Account") in which the Borrowers will be charged with all loans and advances made by the Lender to the Borrowers or for the Borrowers' account, including the Loans, interest, fees, expenses and any other Obligations. The Loan Account will be credited with all amounts received by the Lender from the Borrowers or for the Borrowers' account, including, as set forth below, all amounts received from the Blocked Account Bank. The Lender shall send the Administrative Borrower a monthly statement reflecting the activity in the Loan Account. Each such statement shall be an account stated and shall be final, conclusive and binding on the Borrowers, absent manifest error.

SECTION 2.6. Collection of Receivables.

(a) At all times during the term of this Agreement, the Borrowers shall maintain, pursuant to one or more Lockbox Agreements, a lockbox (each, a "Lockbox") and a blocked account in the name of the Lender as secured party (each, a "Blocked Account"). The Borrowers shall instruct their account debtors to remit to a Lockbox all checks, drafts and other documents and instruments evidencing remittances in payment (collectively, "Items of Payment"). Items of Payment remitted to a Blocked Account will be processed in accordance with the applicable Lockbox Agreement.

(b) So long as no Event of Default has occurred and is continuing, the Lender shall apply all amounts received by it from each Lockbox Bank deposited in a Blocked Account first, to costs and expenses that are then due and payable by the Borrowers under the Loan Documents, second, to accrued and unpaid interest that is payable hereunder and under the Note, and third, to the outstanding principal amount of the Loans. All Collections and other amounts received by the Borrowers from any account debtor, in addition to all other cash received by the Borrowers from any other source, shall, upon receipt, be deposited into a Blocked Account. The Borrowers will at all times (i) not commingle any Items of Payment with any of their other funds or property, but will segregate them from their other assets and will hold them in trust and for the account and as the property of the Lender and (ii) endorse any Item of Payment. The Lender will credit all such payments to the Loan Account, conditional upon final collection; credit will be given only for cleared funds received prior to 2:00 p.m. (Chicago time) by the Lender. The Loan Account will be credited only with the net amounts actually received by the Lender.

(c) Notwithstanding anything to the contrary in this Section 2.6, upon the occurrence and during the continuance of an Event of Default, the Lender may apply all amounts deposited in a Blocked Account to any of the Obligations and in any order as it may elect in its sole and absolute discretion.

SECTION 2.7. Term. The term of this Agreement shall be for a period from the Closing Date to but not including June 10, 2005 unless sooner terminated in accordance with the terms of this Agreement. Notwithstanding the foregoing, the Borrowers shall have no right to terminate this Agreement at any time that any principal of or interest on any of the Loans is outstanding, except upon prepayment of all Obligations and the satisfaction of all other conditions set forth in the Loan Documents with respect thereto.

SECTION 2.8. Payment Procedures.

(a) The Borrowers hereby authorize the Lender to charge the Loan Account with the amount of all interest, fees, expenses and other payments to be made hereunder and under the other Loan Documents. The Lender may, but shall not be obligated to, discharge the Borrowers' payment obligations hereunder by so charging the Loan Account.

(b) Whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the payment may be made on the next succeeding Business Day (except as specified in clause (ii) of the definition of "Interest Period") and such extension of time shall be included in the computation of the amount of interest due hereunder.

SECTION 2.9. Letters of Credit. The Lender, upon the request of the Administrative Borrower, shall use its best efforts to cause a bank or other financial institution acceptable to the Lender to issue for the account of one or more of the Borrowers Letters of Credit of a tenor and containing terms acceptable to the Lender and the issuer of such Letter of Credit, in a maximum aggregate face amount outstanding at any time not to exceed Two Million Dollars (\$2,000,000), provided that no Letter of Credit shall have an expiration date after the Expiration Date. The term of any Letter of Credit shall not exceed three hundred sixty days from the date of issuance, subject to renewal in accordance with the terms thereof, but in no event to a date beyond the Expiration Date. All Letters of Credit shall be subject to the limitations set forth in Section 2.4, and a sum equal to the aggregate amount of all outstanding Letters of Credit shall be included in calculating outstanding amounts for purposes of determining compliance with Section 2.4. Upon each drawing or payment under a Letter of Credit, the amount of such drawing or payment for all purposes under this Agreement shall become and be deemed to be, without any further action on the part of any Person, a Revolving Credit Loan made by the Lender on the date of such drawing or payment (but without any requirement for compliance with the conditions precedent to the making of Loans contained in this Agreement) which, in the case of any Letter of Credit denominated in any currency other than Dollars, shall be denominated in Dollars at the Equivalent Amount.

ARTICLE III.

SECURITY

SECTION 3.1. General. To secure the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of all of the Obligations, each of the Borrowers hereby grants to the Lender a Lien on and security interest in all of its right, title and interest in and to its Receivables, Equipment, Property, Inventory and Investment Property (other than the shares of capital stock of Del Electronics, Dynarad and Villa Sistemi owned by Del Global), wherever located, whether now owned or hereafter acquired, and all additions and accessions thereto and substitutions and replacements therefor and improvements thereon, and all proceeds (whether in the form of cash or other property) and products thereof including, without limitation, all proceeds of insurance covering the same and all tort claims in connection therewith. As further security for the Obligations, and to provide other assurances to the Lender, the Lender shall receive, among other things:

(a) the Lockbox Agreement and any Control Agreement;

(b) the Pledge Agreement; and

(c) the Intellectual Property Security Agreement.

This Agreement shall constitute a security agreement for purposes of the Code.

SECTION 3.2. Further Security. Each of the Borrowers also grants to the Lender, as further security for all of the Obligations, a security interest in all of its right, title and interest in and to all property of such Borrower in the possession of or deposited with or in the custody of the Lender or any Affiliate of the Lender or any representative, agent or correspondent of the Lender and in all present and future deposit accounts as that term is defined in the Code. For purposes of this Agreement, any property in which the Lender or any such Affiliate has any security or title retention interest shall be deemed to be in the custody of the Lender or of such Affiliate.

SECTION 3.3. Recourse to Security. Recourse to security shall not be required for any Obligation hereunder and each Borrower hereby waives any requirement that the Lender exhaust any right or take any action against any of the Collateral before proceeding to enforce the Obligations against such Borrower.

SECTION 3.4. Special Provisions Relating to Inventory.

(a) All Inventory. The security interest in the Inventory granted to the Lender hereunder shall continue through all steps of manufacture and sale and attach without further act to raw materials, work in process, finished goods, returned goods, documents of title and warehouse receipts, and to proceeds resulting from the sale or other disposition of such Inventory. Until all of the Obligations have been satisfied, all Letters of Credit have been terminated or Collateralized and the Lender has no obligation to make Loans or to use its best efforts to cause Letters of Credit to be issued hereunder, the Lender's security interest in such Inventory and in all proceeds thereof shall continue in full force and effect and the Lender shall have, in its sole and absolute discretion at any time if an Event of Default has occurred and is continuing or the Lender believes that fraud has occurred, the right to take physical possession of such Inventory and to maintain it on the premises of a Borrower, in a public warehouse, or at such other place as the Lender may deem appropriate. If the Lender exercises such right to take possession of such Inventory, the Borrowers will, upon demand, and at the Borrowers' cost and expense, assemble such Inventory and make it available to the Lender at a place or places convenient to the Lender.

(b) No Liens. All Inventory of each Borrower shall be maintained at the locations therefor shown on Schedule 6.1(b), except for Inventory moved from such locations solely for the purpose of sale in the ordinary course of such Borrower's business and Inventory in transit from one such location to another such location in the ordinary course of such Borrower's business with an aggregate value not greater than \$100,000 at any time. If sales are made for cash, the applicable Borrower shall immediately deliver to the Lender the checks or other forms of payment which it receives, together with any necessary endorsements.

(c) Further Assurances. Each Borrower will perform any and all steps that the Lender may request to perfect the Lender's security interests in such Borrower's Inventory including, without limitation, placing and maintaining signs, executing and filing financing or continuation statements in form and substance satisfactory to the Lender, maintaining stock records and conducting lien searches. In each case, each Borrower shall take such action as promptly as possible after requested by the Lender but in any event within five Business Days after any such request is made except that such Borrower shall take such action immediately upon the Lender's request following the occurrence of an Event of Default. If any Borrower's Inventory is in the possession or control of any Person other than a purchaser in the ordinary course of business or a public warehouseman where the warehouse receipt is in the name of or held by the Lender, such Borrower shall notify such Person of the Lender's security interest therein and, upon request, instruct such Person to acknowledge in writing its agreement to hold all such Inventory for the benefit of the Lender and subject to the Lender's instructions. If so requested by the Lender, each Borrower (as promptly as possible after requested by the Lender but in any event within five Business Days after any such request is made) will deliver (i) to the Lender warehouse receipts covering any of such Borrower's Inventory located in warehouses showing the Lender as the beneficiary thereof and (ii) to the warehouseman such agreements relating to the release of warehouse Inventory as the Lender may request. A physical verification of all of each Borrower's Inventory wherever located will be taken by such Borrower at least every twelve months and, in any case, as often as reasonably requested by the Lender and a copy of such physical verification shall be promptly thereafter submitted to the Lender. Each Borrower shall also submit to the Lender a copy of the summary compilation of any physical inventories (which shall be taken no less frequently than annually) of such Borrower as observed and tested by its independent auditors in accordance with generally accepted auditing standards and GAAP. If so requested by the Lender, each Borrower shall execute and deliver to the Lender a confirmatory written instrument, in form and substance satisfactory to the Lender, listing all its Inventory, but any failure to execute or deliver the same shall not limit or otherwise affect the Lender's security interest in and to such Inventory. Each Borrower shall deliver a monthly report of its Inventory, based upon its perpetual inventory, which shall describe such Inventory by category, item (in reasonable detail) and location and report the then appraised value (at the lower of cost or market) of such Inventory and its location.

(d) Inventory Records. Each Borrower shall maintain full, accurate and complete records of its Inventory describing the kind, type and quantity of such Inventory and such Borrower's cost therefor, withdrawals therefrom and additions thereto, including a perpetual inventory for raw materials, work in process (to the extent available) and finished goods.

SECTION 3.5. Special Provisions Relating to Receivables.

(a) Invoices, Etc. On the Lender's request therefor, each Borrower shall furnish to the Lender copies of invoices to customers and shipping and delivery receipts or warehouse receipts thereof. Each Borrower shall deliver to the Lender (i) the originals of all letters of credit, notes, and instruments in its favor, in each case in an amount greater than \$25,000,

(ii) such endorsements or assignments related thereto as the Lender may reasonably request and (iii) the written consent of the issuer of any letter of credit to the assignment of the proceeds of such letter of credit by such Borrower to the Lender.

(b) Records, Collections, Etc. Each Borrower shall promptly report all customer credits to the Lender. Each Borrower shall notify the Lender of all returns and recoveries of merchandise and of all claims asserted with respect to merchandise, in each case with a value in excess of \$25,000. Each Borrower shall promptly report to the Lender each such return, repossession or recovery of merchandise, providing the Lender with a description of such merchandise. No Borrower shall settle or adjust any dispute or claim, or grant any discount (except ordinary trade discounts), credit or allowance or accept any return of merchandise, except in the ordinary course of its business, without the Lender's consent. Upon the occurrence and during the continuance of an Event of Default or at any time that the Lender believes that fraud has occurred, the Lender may (i) settle or adjust disputes or claims directly with account debtors for amounts and upon terms which it considers advisable and (ii) notify account debtors on a Borrower's Receivables that such Receivables have been assigned to the Lender, and that payments in respect thereof shall be made directly to the Lender. Where a Borrower receives collateral of any kind or nature by reason of transactions between itself and its customers or account debtors, such Borrower will hold the same on the Lender's behalf, subject to the Lender's instructions, and as property forming part of such Borrower's Receivables. Where a Borrower sells goods or services to a customer which also sells goods or services to it or which may have other claims against it, such Borrower will so advise the Lender immediately to permit the Lender to establish a reserve therefor. Each Borrower hereby irrevocably authorizes and appoints the Lender, or any Person the Lender may designate, as its attorney-in-fact, at such Borrower's sole cost and expense, to exercise, if an Event of Default has occurred and is continuing or the Lender believes that fraud has occurred, all of the following powers, which being coupled with an interest, shall be irrevocable until all of the Obligations have been indefeasibly paid and satisfied in full in cash: (A) to receive, take, endorse, sign, assign and deliver, all in the name of the Lender or such Borrower, any and all checks, notes, drafts, and other documents or instruments relating to the Collateral; (B) to receive, open and dispose of all mail addressed to such Borrower and to notify postal authorities to change the address for delivery thereof to such address as the Lender may designate; and (C) to take or bring, in the name of the Lender or such Borrower, all steps, actions, suits or proceedings deemed by the Lender necessary or desirable to enforce or effect collection of such Borrower's Receivables or file and sign such Borrower's name on a proof of claim in bankruptcy or similar document against any obligor of such Borrower. Each Borrower shall maintain a record of its electronic chattel paper that identifies the Lender as the assignee thereof and otherwise in a manner such that the Lender has control over such chattel paper for purposes of the Code.

SECTION 3.6. Special Provisions Relating to Equipment.

(a) Location. Each item of Equipment of each Borrower, now owned or hereafter acquired, will be kept at a location specified in Schedule 6.1 (b) and may not be moved without the prior written consent of the Lender except in connection with the Business Consolidation. Each Borrower shall at all times hereafter keep correct and accurate records itemizing and describing the location, kind, type, age and condition of its Equipment, such Borrower's cost therefor and accumulated depreciation thereof, and retirements, sales, or other dispositions thereof, all of which records shall be available during such Borrower's usual business hours on demand to any of the officers, employees or agents of the Lender.

(b) Repair. Each Borrower shall keep all of its Equipment in a satisfactory state of repair and satisfactory operating condition in accordance with industry standards, ordinary wear and tear excepted, and will, consistent with the exercise of its reasonable business judgment, make all repairs and replacements when and where necessary and practical, will not waste or destroy it or any part thereof, and will not be negligent in the care or use thereof. Each Borrower shall repair and maintain all of its Equipment in accordance with industry practices in a manner sufficient to continue the operation of its business as heretofore conducted. Each Borrower will use or cause its Equipment to be used in accordance with law and the manufacturer's instructions. Each Borrower shall keep its Equipment separate from, and will not annex or affix any of its Equipment to, any part of any Property or any other realty.

(c) Disposal. Where a Borrower is permitted to dispose of any of its Equipment under this Agreement or by any consent thereto hereafter given by the Lender, such Borrower shall do so at arm's length, in good faith and by obtaining the maximum amount of recovery practicable therefor and without impairing the operating integrity or value of its remaining Equipment.

SECTION 3.7. Continuation of Liens, Etc. Each Borrower shall defend the Collateral against all claims and demands of all Persons at any time claiming any interest therein, other than claims relating to Liens permitted by the Loan Documents. Each Borrower agrees to comply with the requirements of all state and federal laws to grant to the Lender valid and perfected first priority security interests in the Collateral and shall, upon request of the Lender, obtain a Control Agreement from any securities intermediary or depository bank in possession of any of such Borrower's Investment Property or deposit accounts. The Lender is hereby authorized by each Borrower to sign such Borrower's name on any document or instrument as may be necessary or desirable to establish and maintain the Liens covering the Collateral and the priority and continued perfection thereof or file any financing or continuation statements or similar documents or instruments covering the Collateral whether or not such Borrower's signature appears thereon. Each Borrower agrees, from time to time, at the Lender's request, to file notices of Liens, financing statements, similar documents or instruments, and amendments, renewals and continuations thereof, and cooperate with the Lender's representatives, in connection with the continued perfection (and the priority status thereof) and protection of the Collateral and the Lender's Liens thereon. Each Borrower agrees that the Lender may file a carbon, photographic or other reproduction of this Agreement (or any financing statement related hereto) as a financing statement.

SECTION 3.8. Power of Attorney. In addition to all of the powers granted to the Lender in this Article III, each Borrower hereby appoints and constitutes the Lender as such Borrower's attorney-in-fact to sign such Borrower's name on any of the documents, instruments and other items described in Section 3.7, to request at any time from customers indebted on its Receivables verification of information concerning such Receivables and the amount owing thereon (provided that any verification prior to an Event of Default shall not contain the Lender's name), and, upon the occurrence and during the continuance of an Event of Default, (i) to convey any item of Collateral to any purchaser thereof and (ii) to make any payment or take any act necessary or desirable to protect or preserve any Collateral. The Lender's authority hereunder shall include, without limitation, the authority to execute and give receipt for any certificate of ownership or any document, to transfer title to any item of Collateral and to take any other actions arising from or incident to the powers granted to the Lender under this Agreement. This power of attorney is coupled with an interest and is irrevocable.

ARTICLE IV.

INTEREST, FEES AND EXPENSES

SECTION 4.1. Interest. The Borrowers shall pay to the Lender interest on the Advances, payable monthly in arrears on the first Business Day of each month, commencing with the month immediately following the Closing Date, and on the Expiration Date, at the following rates per annum:

- (a) Base Rate Advances. If such Advance is a Base Rate Advance, at a fluctuating rate which is equal to (i) the Base Rate then in effect plus (ii) the Pricing Increment, each change in such fluctuating rate to take effect simultaneously with the corresponding change in the Base Rate.
- (b) LIBOR Rate Advances. If such Advance is a LIBOR Rate Advance, at a rate which is equal at all times during the Interest Period for such LIBOR Rate Advance to (i) the LIBOR Rate plus (ii) the Pricing Increment.

SECTION 4.2. Interest and Letter of Credit Fees After Event of Default. From the date of occurrence of any Event of Default until the earlier of the date upon which (i) all Obligations shall have been paid and satisfied in full and all Letters of Credit have expired or been terminated or (ii) such Event of Default shall have been cured within any grace period specified therefor in Section 9.1 or waived, interest on the Loans shall be payable on demand at a rate per annum equal to the rate that would be otherwise applicable thereto under Section 4.1 plus an additional two percent (2%) and the letter of credit fee pursuant to Section 4.4(c) shall be payable at the rate that would otherwise apply under Section 4.4(c) plus an additional two percent (2%).

SECTION 4.3. Closing Fee. On the Closing Date, the Borrowers shall pay to the Lender a non-refundable closing fee in the amount of \$175,000.

SECTION 4.4. Unused Line Fee; Minimum Loan Fee; Letter of Credit Fees.

(a) The Borrowers shall pay to the Lender on the first Business Day of each month, commencing with the month immediately following the Closing Date, and on the Expiration Date, in arrears, an unused line fee equal to three-eighths of one percent (.375%) per annum of the difference, if positive, between (i) the Maximum Amount of the Facility and (ii) the average daily aggregate outstanding amount of the Loans plus the average daily aggregate undrawn amount of all unexpired Letters of Credit during the immediately preceding month or portion thereof.

(b) The Borrowers agree that, to induce the Lender to enter into this Agreement, the Borrowers shall at all times during the term of this Agreement have an aggregate average outstanding principal amount of the Loans (including the unpaid face amount of outstanding Letters of Credit) of at least Five Million Dollars (\$5,000,000) (the "Minimum Loan Amount"). If, in any calendar month, the average daily outstanding principal amount of the Loans (including the unpaid face amount of outstanding Letters of Credit) does not equal or exceed the Minimum Loan Amount, the Borrowers, in addition to the payment of interest on the Obligations pursuant to Section 4.1, shall pay to the Lender on the date such interest is due, a fee equal to the difference between

(x) the amount of interest that would have been payable by the Borrowers to the Lender during such month pursuant to Section 4.1 if such average daily outstanding principal amount had been equal to the Minimum Loan Amount and if all Advances during such month were Base Rate Advances, and (y) the amount of interest actually paid by the Borrowers to the Lender for such month pursuant to Section 4.1.

(c) The Borrowers shall promptly pay to the Lender all fees charged to the Lender by any issuer of a Letter of Credit which relate directly to the opening, amending or drawing under Letters of Credit. In addition, the Borrowers shall pay to the Lender on the first Business Day of each month, commencing with the month immediately following the Closing Date, and on the Expiration Date, in arrears, a fee equal to two and one-half percent (2.50%) per annum on the daily average of the amount of the Letters of Credit outstanding during the preceding month or during the interim period ending on the Expiration Date, as the case may be.

SECTION 4.5. Collateral Management Fee. The Borrowers shall pay to the Lender on the first Business Day of each month commencing with the month immediately following the Closing Date and on the Expiration Date, in arrears, a collateral management fee in the amount of \$1,500.

SECTION 4.6. Early Termination Fee. The Borrowers shall have the right to terminate this Agreement at any time on 120 days' prior written notice by the Administrative Borrower to the Lender, provided that, on the date of such termination, all Obligations, including all amounts required for the Collateralization of Letters of Credit and interest, fees and expenses payable to the date of such termination, shall be paid in full. If (a) the Administrative Borrower gives such notice to terminate or (b)(i) the Loans are paid in full or substantially in full and (ii) the Lender's obligation to make Loans or to use its best efforts to cause Letters of Credit to be issued is terminated, including as a result of the Lender terminating, in accordance with

Section 9.2(b), such obligation, the Borrowers shall pay a fee to the Lender in an amount equal to (a) \$300,000 if such termination or payment occurs prior to the first anniversary of the Closing Date, (b) \$200,000 if such termination or payment occurs on or after the first anniversary but prior to the second anniversary of the Closing Date or (c) \$100,000 if such termination or payment occurs on or after the second anniversary of the Closing Date.

SECTION 4.7. Calculations. All calculations of interest and fees hereunder shall be made by the Lender on the basis of a year of 360 days for the actual number of days elapsed in the period for which such interest or fees are payable. Each determination by the Lender of an interest rate, fee or other payment hereunder shall be conclusive and binding for all purposes, absent manifest error.

SECTION 4.8. Indemnification in Certain Events. If, after the Closing Date, (i) any change in or in the interpretation of any law or regulation is introduced including, without limitation, with respect to reserve requirements, applicable to the Lender or any other banking or financial institution from which the Lender borrows funds or obtains credit, (ii) the Lender complies with any future guideline or request from any central bank or other Governmental Authority or (iii) the Lender determines that the adoption of any applicable law, rule or regulation regarding capital adequacy, or any change therein, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof has or would have the effect described below, or the Lender complies with any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, and in the case of any event set forth in this clause (iii), such adoption, change or compliance has or would have the direct or indirect effect of reducing the rate of return on the Lender's capital as a consequence of its obligations hereunder to a level below that which the Lender could have achieved but for such adoption, change or compliance (taking into consideration the Lender's policies as the case may be with respect to capital adequacy) by an amount deemed by the Lender to be material, and any of the foregoing events described in clauses (i), (ii) and (iii) increases the cost to the Lender of funding or maintaining the Loans, or reduces the amount receivable in respect thereof by the Lender, then the Borrowers shall, upon demand, pay to the Lender additional amounts sufficient to indemnify the Lender against such increase in cost or reduction in amount receivable.

SECTION 4.9. Taxes.

(a) Any and all payments by the Borrowers hereunder or under the Note shall be made free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings and penalties, interest and all other liabilities with respect thereto ("Taxes"), including any Taxes imposed under Section 7701(l) of the Internal Revenue Code, excluding in the case of the Lender, taxes imposed on its net income (including, without limitation, any taxes imposed on branch profits) and franchise taxes imposed on it by any applicable jurisdiction. If the Borrowers shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any Loan to or for the benefit of the Lender, (A) the sum payable shall be increased as may be necessary so that after making all required deductions of Taxes (including deductions of Taxes applicable to additional sums payable under this Section 4.9) the Lender receives an amount equal to the sum it would have received had no such deductions been made, (B) the Borrowers shall make such deductions and (C) the Borrowers shall pay the full amount so deducted to the relevant taxation authority or other authority in accordance with applicable law.

(b) In addition, each Borrower agrees to pay any present or future stamp, documentary, excise, privilege, intangible or similar taxes or levies that arise at any time or from time to time (i) from any payment made under any and all Loan Documents, or (ii) from the execution or delivery by such Borrower of, or from the filing or recording or maintenance of, or otherwise with respect to the exercise by the Lender of its rights under, any and all Loan Documents (hereinafter referred to as "Other Taxes").

(c) Each Borrower indemnifies the Lender for the full amount of (i) Taxes imposed on or with respect to amounts payable hereunder, (ii) Other Taxes and (iii) any Taxes (other than Taxes imposed by any jurisdiction on amounts payable under this Section 4.9) paid by the Lender and any liability (including penalties, interest and expenses) arising solely therefrom or with respect thereto.

(d) Within thirty days after the date of any payment of Taxes or Other Taxes, the Administrative Borrower will, upon request, furnish to the Lender the original or a certified copy of a receipt evidencing payment thereof.

(e) Without prejudice to the survival of any other agreement of the Borrowers hereunder, the agreements and obligations of the Borrowers contained in this Section 4.9 shall survive the indefeasible payment in full of the Obligations.

ARTICLE V.

CONDITIONS OF LENDING

SECTION 5.1. Conditions to Initial Loan or Letter of Credit. The obligation of the Lender to make the initial Loan or to use its best efforts to cause to be issued the initial Letter of Credit is subject to the satisfaction of the following conditions prior to or concurrent with such initial Loan or Letter of Credit:

(a) the Lender shall have received the following, each dated the date of the initial Loan or Letter of Credit or as of an earlier date acceptable to the Lender, in form and substance satisfactory to the Lender and its counsel:

(i) the Note, duly executed by each Borrower;

(ii) the Intellectual Property Security Agreement, duly executed by Del Global and Del Medical;

(iii) the Lockbox Agreement, duly executed by each Borrower and the Lockbox Bank party thereto;

(i) establish or maintain any Securities Account or deposit account (other than a Blocked Account) unless the Lender shall have received a Control Agreement, duly executed by the Borrower and the securities intermediary or depository bank parties thereto and in full force and effect, in respect of such Securities Account or deposit account or (ii) transfer any financial assets from any Securities Account; provided, however, that, in the case of Securities Accounts, so long as no Event of Default has occurred and is continuing or would result therefrom, such Borrower or any of its Subsidiaries may (A) use such assets to the extent permitted by this Agreement, or (B) sell or trade such assets in the ordinary course of business so long as the proceeds of such sales or trades are deposited in a Blocked Account, any other deposit account or a Securities Account, in each case in respect of which the Lender has received a Control Agreement duly executed by the Borrower and the securities intermediary or depository bank party thereto and that otherwise is in full force and effect.

(w) Negative Pledge. Each Borrower will not, and will not permit any of its Subsidiaries to, enter into or suffer to exist any agreement (other than in favor of the Lender) prohibiting or conditioning the creation or assumption of any Lien upon any of its assets.

SECTION 9.2. Acceleration, Termination and Cash Collateralization. Upon the occurrence and during the continuance of an Event of Default, the Lender may take any or all of the following actions, without prejudice to the rights of the Lender to enforce its claims against the Borrowers:

(a) **Acceleration.** To declare all Obligations immediately due and payable (except with respect to any Event of Default with respect to a Borrower specified in Section 9.1(d), in which case all Obligations shall automatically become immediately due and payable) without presentment, demand, protest or any other action or obligation of the Lender.

(b) **Termination of Commitment.** To declare the Lender's obligation to make Advances and to use its best efforts to cause the issuance of Letters of Credit hereunder immediately terminated (except with respect to any Event of Default with respect to a Borrower set forth in Section 9.1(d), in which case such obligation shall automatically terminate) and, at all times thereafter, any Loan made by the Lender and the issuance of any Letter of Credit shall be in the Lender's sole and absolute discretion. Notwithstanding any termination of this Agreement, until all Obligations shall have been fully and indefeasibly paid and satisfied, the Lender shall retain all security in all guaranties and in all existing and future Receivables, Inventory and Equipment of the Borrowers and all other Collateral held by it hereunder and under the Security Documents, and the Borrowers shall continue to turn over all Collections to the Lender.

(c) **Cash Collateralization.** With respect to all Letters of Credit outstanding at the time of the acceleration of the Obligations under Section 9.2(a) or otherwise at any time after the Expiration Date, the Borrowers shall at such time deposit in a cash collateral account established by or on behalf of the Lender an amount equal to 105% (or 110% in the case of Letters of Credit denominated in any currency other than Dollars) of the aggregate then undrawn and unexpired amount of such Letters of Credit. Amounts held in such cash collateral account shall be under the sole dominion and control of the Lender and applied by the Lender to the payment of drafts drawn under such Letters of Credit, and the balance, if any, in such cash collateral account, after all such Letters of Credit shall have expired or been fully drawn upon shall be applied to repay the other Obligations. After all such Letters of Credit shall have expired or been fully drawn upon and all Obligations shall have been satisfied, the balance, if any, in such cash collateral account shall be returned to the Borrowers or to such other Person as may be lawfully entitled thereto.

SECTION 9.3. Other Remedies.

(a) Upon the occurrence and during the continuance of an Event of Default, the Lender shall have all rights and remedies with respect to the Obligations and the Collateral under applicable law and the Loan Documents, and the Lender may do any or all of the following:

(i) remove for copying all documents, instruments, files and records (including the copying of any computer records) relating to a Borrower's Receivables or use (at the expense of a Borrower) such supplies or space of a Borrower at such Borrower's places of business necessary to administer, enforce and collect such Receivables including, without limitation, any supporting obligations;

(ii) accelerate or extend the time of payment, compromise, issue credits, or bring suit on a Borrower's Receivables (in the name of such Borrower or the Lender) and otherwise administer and collect such Receivables;

(iii) sell, assign and deliver a Borrower's Receivables with or without advertisement, at public or private sale, for cash, on credit or otherwise, subject to applicable law; and

(iv) foreclose the security interests created pursuant to the Loan Documents by any available procedure, or take possession of any or all of the Collateral, without judicial process and enter any premises where any Collateral may be located for the purpose of taking possession of or removing the same.

(b) The Lender may bid or become a purchaser at any sale, free from any right of redemption, which right is expressly waived by each Borrower. If notice of intended disposition of any Collateral is required by law, it is agreed that ten days' notice shall constitute reasonable notification. Each Borrower will assemble the Collateral in its possession and make it available at such locations as the Lender may specify, whether at the premises of such Borrower or elsewhere, and will make available to the Lender the premises and facilities of such Borrower for the purpose of the Lender's taking possession of or removing the Collateral or putting the Collateral in saleable form. The Lender may sell the Collateral or any part thereof in one or more parcels at public or private sale, at any exchange, broker's board or at any of the Lender's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Lender may deem commercially reasonable. The Lender shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Lender may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Borrower hereby grants the Lender a license to enter and occupy any of such Borrower's leased or owned premises and facilities, without charge, to exercise any of the Lender's rights or remedies.

SECTION 9.4. License for Use of Software and Other Intellectual Property. Each Borrower hereby grants to the Lender a license or other right to use, without charge, all computer software programs, data bases, processes, trademarks, tradenames, copyrights, labels, trade secrets, service marks, advertising materials and other rights, assets and materials used by such Borrower in connection with its businesses or in connection with the Collateral.

SECTION 9.5. No Marshalling; Deficiencies; Remedies Cumulative. The Lender shall have no obligation to marshal any Collateral or to seek recourse against or satisfaction of any of the Obligations from one source before seeking recourse against or satisfaction from another source. The net cash proceeds resulting from the Lender's exercise of any of the foregoing rights to liquidate all or substantially all of the Collateral, including any and all Collections (after deducting all of the Lender's expenses related thereto), shall be applied by the Lender to such of the Obligations and in such order as the Lender shall elect in its sole and absolute discretion, whether due or to become due. The Borrowers shall remain liable to the Lender for any deficiencies, and the Lender in turn agrees to remit to the applicable Borrower or its successor or assign any surplus resulting therefrom. All of the Lender's remedies under the Loan Documents shall be cumulative, may be exercised simultaneously against any Collateral and any Borrower or in such order and with respect to such Collateral or such Borrower as the Lender may deem desirable, and are not intended to be exhaustive.

SECTION 9.6. Waivers. Except as may be otherwise specifically provided herein or in any other Loan Document, each Borrower hereby waives any right to a judicial or other hearing with respect to any action or prejudgment remedy or proceeding by the Lender to take possession, exercise control over, or dispose of any item of Collateral in any instance (regardless of where the same may be located) where such action is permitted under the terms of this Agreement or any other Loan Document or by applicable law or of the time, place or terms of sale in connection with the exercise of the Lender's rights hereunder and also waives any bonds, security or sureties required by any statute, rule or other law as an incident to any taking of possession by the Lender of any Collateral. Each Borrower also waives any damages (direct, consequential or otherwise) occasioned by the enforcement of the Lender's rights under this Agreement or any other Loan Document including the taking of possession of any Collateral or the giving of notice to any account debtor or the collection of any Receivable of such Borrower. Each Borrower also consents that the Lender may enter upon any premises owned by or leased to it without obligations to pay rent or for use and occupancy, through self-help, without judicial process and without having first obtained an order of any court. These waivers and all other waivers provided for in this Agreement and the other Loan Documents have been negotiated by the parties, and each Borrower acknowledges that it has been represented by counsel of its own choice, has consulted such counsel with respect to its rights hereunder and has freely and voluntarily entered into this Agreement and the other Loan Documents as the result of arm's-length negotiations.

SECTION 9.7. Further Rights of the Lender.

(a) Further Assurances. Each Borrower shall do all things and shall execute and deliver all documents and instruments reasonably requested by the Lender to protect or perfect any Lien (and the priority thereof) of the Lender on the Collateral. The Lender is authorized to describe the Collateral covered by any financing statement filed by it under the Code as "all assets" or "all personal property" of the applicable Borrower or by using a similar supergeneric description.

(b) Insurance; Etc. If a Borrower shall fail to purchase or maintain insurance (where applicable), or to pay any tax, assessment, governmental charge or levy, except as the same may be otherwise permitted hereunder or which is being contested in good faith by appropriate proceedings and for which adequate reserves have been established in accordance with GAAP, or if any Lien prohibited hereby shall not be paid in full or a Borrower shall fail to perform or comply with any other covenant, promise or obligation to the Lender hereunder or under any other Loan Document, the Lender may (but shall not be required to) perform, pay, satisfy, discharge or bond the same for the account of such Borrower, and all amounts so paid by the Lender shall be treated as a Base Rate Advance hereunder and shall constitute part of the Obligations.

SECTION 9.8. Interest and Letter of Credit Fees After Event of Default. Each Borrower agrees and acknowledges that the additional interest and fees that may be charged under Section 4.2 (a) are an inducement to the Lender to make Advances and to use its best efforts to cause Letters of Credit to be issued hereunder and that the Lender would not consummate the transactions contemplated by this Agreement without the inclusion of such provisions, (b) are fair and reasonable estimates of the Lender's costs of administering the credit facility upon an Event of Default and (c) are intended to estimate the Lender's increased risks upon an Event of Default.

ARTICLE X.

ASSIGNMENTS AND PARTICIPATIONS

SECTION 10.1. Assignments. No Borrower shall assign this Agreement or any right or obligation hereunder without the prior written consent of the Lender. The Lender may assign (without the consent of any Borrower) to one or more Persons all or a portion of its rights and obligations under this Agreement, the Note and the other Loan Documents.

SECTION 10.2. Participations. The Lender may sell participations in or to all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of the Loans and the Note); provided, however, that in such event the Lender's obligations under this Agreement shall remain unchanged.

SECTION 10.3. Disclosure. The Lender may, in connection with any permitted assignment or participation or proposed assignment or participation pursuant to this Article X, disclose to the assignee or participant or proposed assignee or participant any information relating to the Borrowers or their Subsidiaries.

SECTION 11.2. Delays; Partial Exercise of Remedies. No delay or omission of the Lender to exercise any right or remedy hereunder shall impair any such right or operate as a waiver thereof. No single or partial exercise by the Lender of any right or remedy shall preclude any other or further exercise thereof, or preclude any other right or remedy.

SECTION 11.3. Right of Setoff. In addition to and not in limitation of all rights of offset that the Lender may have under applicable law, and whether or not the Lender has made any demand or the Obligations of the Borrowers have matured, the Lender shall have the right to set off and apply any and all deposits (general or special, time or demand, provisional or final, or any other type) at any time held and any other Indebtedness at any time owing by the Lender or any of its Affiliates to or for the credit or the account of any Borrower or any Borrower's Affiliate against any and all of the Obligations. In the event that the Lender exercises any of its rights under this Section 11.3, the Lender shall provide notice to the Administrative Borrower of such exercise, provided that the failure to give such notice shall not affect the validity of the exercise of such rights.

SECTION 11.4. Indemnification; Reimbursement of Expenses of Collection.

(a) Each Borrower hereby agrees that, whether or not any of the transactions contemplated by this Agreement or the other Loan Documents are consummated, such Borrower will indemnify, defend and hold harmless (on an after-tax basis) the Lender and its successors and assigns and their respective directors, officers, agents, employees, advisors, shareholders, attorneys and Affiliates (each, an "Indemnified Party") from and against any and all losses, claims, damages, liabilities, deficiencies, obligations, fines, penalties, actions (whether threatened or existing), judgments, suits (whether threatened or existing) or expenses (including, without limitation, reasonable fees and disbursements of counsel, experts, consultants and other professionals) incurred by any of them (collectively, "Claims") (except, in the case of each Indemnified Party, to the extent that any Claim is determined in a final and non-appealable judgment by a court of competent jurisdiction to have directly resulted from such Indemnified Party's gross negligence or willful misconduct) arising out of or by reason of (i) any litigation, investigation, claim or proceeding related to (A) this Agreement, any other Loan Document or the transactions contemplated hereby or thereby, (B) any actual or proposed use by a Borrower of the proceeds of the Loans, (C) the issuance of any Letter of Credit or the acceptance or payment of any document or draft presented to any issuer thereof or any change in the value of a foreign currency covered by any Letter of Credit or (D) the Lender's entering into this Agreement, the other Loan Documents or any other agreements and documents relating hereto (other than consequential damages and loss of anticipated profits or earnings), including, without limitation, amounts paid in settlement, court costs and the fees and disbursements of counsel incurred in connection with any such litigation, investigation, claim or proceeding, (ii) any remedial or other action taken or required to be taken by a Borrower in connection with compliance by such Borrower, or any of its properties, with any federal, state or local Environmental Laws and (iii) any pending, threatened or actual action, claim, proceeding or suit by any shareholder or director of a Borrower or any actual or purported violation of a Borrower's Governing Documents or any other agreement or instrument to which a Borrower is a party or by which any of its properties is bound. In addition, the Borrowers shall, upon demand, pay to the Lender all costs and expenses incurred by the Lender (including the fees and disbursements of counsel and other professionals) in connection with the preparation, execution, delivery, administration, modification and amendment of the Loan Documents, and pay to the Lender all costs and expenses (including the fees and disbursements of counsel and other professionals) paid or incurred by the Lender in (A) enforcing or defending its rights under or in respect of this Agreement, the other Loan Documents or any other document or instrument now or hereafter executed and delivered in connection herewith, (B) collecting the Obligations or otherwise administering this Agreement and (C) foreclosing or otherwise realizing upon the Collateral or any part thereof. If and to the extent that the obligations of the Borrowers hereunder are unenforceable for any reason, the Borrowers hereby agree to make the maximum contribution to the payment and satisfaction of such obligations that is permissible under applicable law.

(b) The Borrowers' obligations under Sections 4.8 and 4.9 and this Section 11.4 shall survive any termination of this Agreement and the other Loan Documents, the termination, expiration or Collateralization of all Letters of Credit and the payment in full of the Obligations, and are in addition to, and not in substitution of, any of the other Obligations.

SECTION 11.5. Amendments and Waivers. Any provision of this Agreement or any other Loan Document may be amended or waived if, but only if, such amendment or waiver is in writing and signed by the Lender and the Borrowers party thereto, and then any such amendment or waiver shall be effective only to the extent set forth therein.

SECTION 11.6. Counterparts; Telecopied Signatures. This Agreement and any waiver or amendment hereto may be executed in counterparts and by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. This Agreement and each of the other Loan Documents may be executed and delivered by telecopier or other facsimile transmission all with the same force and effect as if the same was a fully executed and delivered original manual counterpart.

SECTION 11.7. Severability. In case any provision in or obligation under this Agreement, any Note or any other Loan Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

SECTION 11.8. Maximum Rate. Notwithstanding anything to the contrary contained elsewhere in this Agreement or in any other Loan Document, the parties hereto hereby agree that all agreements between them under this Agreement and the other Loan Documents, whether now existing or hereafter arising and whether written or oral, are expressly limited so that in no contingency or event whatsoever shall the amount paid, or agreed to be paid, to the Lender for the use, forbearance, or detention of the money loaned to the Borrowers and evidenced hereby or thereby or for the performance or payment of any covenant or obligation contained herein or therein, exceed the maximum non-usurious interest rate, if any, that at any time or from time to time may be contracted for, taken, reserved, charged or received on the Obligations, under the laws of the State of Illinois (or the laws of any other jurisdiction whose laws may be mandatorily applicable notwithstanding other provisions of this Agreement and the other Loan Documents), or under applicable federal laws which may presently or hereafter be in effect and which allow a higher maximum non-usurious interest rate than under the laws of the State of Illinois (or such other jurisdiction), in any case after taking into account, to the extent permitted by applicable law, any and all relevant payments or charges under this Agreement and the other Loan Documents executed in connection herewith, and any available exemptions, exceptions and exclusions (the "Highest Lawful Rate"). If due to any circumstance whatsoever, fulfillment of any provision of this Agreement or any of the other Loan Documents at the time performance of such provision shall be due shall exceed the Highest Lawful Rate, then, automatically, the obligation to be fulfilled shall be modified or reduced to the extent necessary to limit such interest to the Highest Lawful Rate, and if from any such circumstance the Lender should ever receive anything of value deemed interest by applicable law which would exceed the Highest Lawful Rate, such excessive interest shall be applied to the reduction of the principal amount then outstanding hereunder or on account of any other then outstanding Obligations and not to the payment of interest, or if such excessive interest exceeds the principal unpaid balance then outstanding hereunder and such other then outstanding Obligations, such excess shall be refunded to the Borrowers. All sums paid or agreed to be paid to the Lender for the use, forbearance, or detention of the Obligations and other Indebtedness of the Borrowers to the Lender shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of such Indebtedness, until payment in full thereof, so that the actual rate of interest on account of all such Indebtedness does not exceed the Highest Lawful Rate throughout the entire term of such Indebtedness. The terms and provisions of this Section shall control every other provision of this Agreement, the other Loan Documents and all other agreements among the parties hereto.

SECTION 11.9. Administrative Borrower; Nature of Borrowers' Liabilities.

(a) Each Borrower hereby appoints the Administrative Borrower irrevocably for the term of this Agreement, to act as its agent, attorney-in-fact and legal representative in all matters pertaining to the administration of this Agreement and the other Loan Documents including, without limitation, to execute and deliver to the Lender any notices, certificates and the other documents permitted or required to be executed and delivered, and to take any and all other actions as are permitted or required to be taken, under or in connection with the Loan Documents. Any such action taken by the Administrative Borrower shall bind each of the Borrowers.

(b) The Borrowers' liabilities in respect of the Obligations shall at all times be joint and several.

SECTION 11.10. Entire Agreement; Successors and Assigns. EACH BORROWER HEREBY WAIVES ALL FUTURE CLAIMS AGAINST THE LENDER FOR SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES.

SECTION 11.12. GOVERNING LAW. THE VALIDITY, INTERPRETATION AND ENFORCEMENT OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY DISPUTE ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS, WHETHER SOUNDING IN CONTRACT, TORT, EQUITY OR OTHERWISE, SHALL BE GOVERNED BY THE INTERNAL LAWS (AS OPPOSED TO THE CONFLICTS OF LAW PROVISIONS) AND DECISIONS OF THE STATE OF ILLINOIS.

IT IS UNDERSTOOD THAT A COPY OF SUCH PROCESS SERVED ON SUCH AGENT AT ITS ADDRESS WILL BE PROMPTLY FORWARDED BY MAIL TO EACH BORROWER, BUT THE FAILURE OF A BORROWER TO RECEIVE SUCH COPY SHALL NOT AFFECT IN ANY WAY THE SERVICE OF SUCH PROCESS. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE LENDER TO SERVE LEGAL PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

SECTION 11.15. JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED UPON, ARISING OUT OF, OR IN ANY WAY RELATING TO (I) THIS AGREEMENT; (II) ANY OTHER LOAN DOCUMENT OR OTHER PRESENT OR FUTURE INSTRUMENT OR AGREEMENT BETWEEN A BORROWER AND THE LENDER; OR (III) ANY CONDUCT, ACTS OR OMISSIONS OF A BORROWER, THE LENDER OR ANY OF THEIR DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, ATTORNEYS OR OTHER AFFILIATES, IN EACH CASE WHETHER SOUNDING IN CONTRACT, TORT, EQUITY OR OTHERWISE.

WAIVER AND FIRST AMENDMENT

THIS WAIVER AND FIRST AMENDMENT, dated as of November 1, 2002 (this "Amendment"), to the Loan and Security Agreement, dated as of June 10, 2002 (the "Loan Agreement"), among Del Global Technologies Corp., Bertan High Voltage Corp., RFI Corporation and Del Medical Imaging Corp. (collectively, the "Borrowers") and Transamerica Business Capital Corporation (the "Lender"). Capitalized terms used herein and not otherwise defined herein shall have the meanings ascribed to such terms in the Loan Agreement.

W I T N E S S E T H :

WHEREAS, the Borrowers and the Lender are parties to the Loan Agreement, under which the Lender has agreed to make, and has made, Loans and other extensions of credit and accommodations to the Borrowers on the terms and subject to the conditions set forth therein; and

WHEREAS, the Borrowers have requested that the Lender agree, and the Lender has agreed, (i) to waive certain Events of Default which have occurred and are continuing and (ii) to amend certain provisions of the Loan Agreement, each upon the terms and subject to the conditions set forth herein.

NOW, THEREFORE, the Borrowers and the Lender agree as follows:

SECTION 1. Limited Waiver. Effective as of the date hereof, the Lender hereby waives compliance with (a) Section 7.1(k)(i) of the Loan Agreement solely to the extent of the Administrative Borrower's failure to deliver the annual audited and certified Financial Statements required thereunder for the fiscal year ended August 3, 2002 (the "2002 Financial Statements") and (b) Sections 8.1, 8.2, 8.3 and 8.4 of the Loan Agreement solely to the extent of the Borrowers' failure to comply with each of the covenants contained therein for the period through August 3, 2002, provided that the waiver hereunder shall terminate on November 20, 2002 unless the Administrative Borrower delivers to the Lender by such date (i) the 2002 Financial Statements and (ii) a revised Business Plan covering the fiscal year ending August 2, 2003, in form and substance satisfactory to the Lender, whereupon the Lender agrees to amend the provisions of Article VIII of the Loan Agreement to give effect to the financial projections contained in such revised Business Plan.

SECTION 2. Amendments to the Loan Agreement. Effective as of the date hereof, the Loan Agreement is amended as follows:

(a) Section 2.1 is amended by deleting "and (C)" after "Hicksville, New York" and substituting the following therefor:

", (C) a reserve in the amount of \$1,500,000 until (I) the Lender has received a revised Business Plan covering the fiscal year ending August 2, 2003, in form and substance reasonably satisfactory to the Lender, and (II) the Lender and the Borrowers have amended the provisions of Article VIII to give effect to the financial projections contained in such revised Business Plan and (D)".

(b) Section 7.2(i) is amended as follows:

(i) by deleting "and" at the end of clause (iii) thereof;

(ii) by inserting a new clause (iii) as follows:

"(iii) Liens arising by operation of law from the sale of receivables owed by Honeywell Aero (formerly known as AlliedSignal, Inc.) to RFI and which have been sold by RFI to General Electric Capital Corporation so long as the aggregate outstanding balance of such Receivables does not exceed \$50,000 at any time; and"; and

(iii) by renumbering clause (iii) as clause (iv).

SECTION 3. Condition of Effectiveness. This Amendment shall become effective when, and only when, the Lender shall have received (a) counterparts of this Amendment, duly executed by the Borrowers, (b) payment of the costs and expenses (including, without limitation, reasonable attorneys' fees) incurred by the Lender in connection with this Amendment and (c) a waiver fee in the amount of \$25,000.

SECTION 4. Representations and Warranties of the Borrowers. Each Borrower represents and warrants as follows:

(a) Such Borrower is a corporation duly organized, validly existing and in good standing under the laws of the State of New York or Delaware, as the case may be, and is qualified to do business under the laws of such other jurisdictions in which its failure to so qualify could have a Material Adverse Effect.

(b) The execution, delivery and performance by such Borrower of this Amendment (i) are within such Borrower's corporate powers, have been duly authorized by all necessary corporate action and do not contravene (A) such Borrower's Governing Documents, (B) any Requirement of Law or (C) any Material Contract and (ii) will not result in or require the creation or imposition of any Lien upon or with respect to any property now owned or hereafter acquired by such Borrower.

(c) No authorization, approval or other action by, and no notice to or filing with, any Governmental Authority or other Person is required for the due execution, delivery and performance by such Borrower of this Amendment.

(d) This Amendment and the Loan Agreement as amended hereby constitute the legal, valid and binding obligations of such Borrower enforceable against such Borrower in accordance with their respective terms except as enforceability may be limited by (i) bankruptcy, insolvency or similar laws affecting creditors' rights generally and (ii) general principles of equity.

(e) Except as specified in Schedule 6.1(r) to the Loan Agreement, there is no pending or, to the best of such Borrower's knowledge after due inquiry, threatened litigation, contested claim, investigation, arbitration or governmental proceeding by or against such Borrower before any court, Governmental Authority or arbitrator which individually or in the aggregate could reasonably be expected to have a Material Adverse Effect or which purports to affect the legality, validity or enforceability of this Amendment or the Loan Agreement as amended hereby.

(f) Except as specified in Section 1 hereof, no Default has occurred and is continuing.

SECTION 5. Reference to and Effect on the Loan Agreement.

(a) On and after the date hereof, each reference in the Loan Agreement to "this Agreement," "hereunder," "hereof," "herein" and words of like import, and each reference in the other Loan Documents to the Loan Agreement shall mean and be a reference to the Loan Agreement as amended hereby.

(b) Except as specifically waived or amended above, (i) the Loan Agreement and each other Loan Document shall remain in full force and effect and are hereby ratified and confirmed by each of the parties hereto and (ii) the Lender shall not be deemed to have waived any rights or remedies it may have under the Loan Agreement, any other Loan Document or applicable law.

(c) The execution, delivery and effectiveness of this Amendment shall not, except as expressly provided herein, operate as a waiver of or an amendment to any right, power or remedy of the Lender under any of the Loan Documents, or constitute a waiver of or an amendment to any provision of any of the Loan Documents.

SECTION 6. Costs and Expenses. The Borrowers agree to pay, on demand, all reasonable out-of-pocket costs and expenses incurred by the Lender in connection with the preparation, negotiation and execution of this Amendment (including, without limitation, the reasonable fees and expenses of counsel to the Lender).

SECTION 7. Counterparts; Telecopied Signatures. This Amendment may be executed in counterparts and by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. This Amendment may be executed and delivered by telecopier or other facsimile transmission with the same force and effect as if the same were a fully executed and delivered original manual counterpart.

SECTION 8. GOVERNING LAW. THE VALIDITY, INTERPRETATION AND ENFORCEMENT OF THIS AMENDMENT AND ANY DISPUTE ARISING OUT OF OR IN CONNECTION WITH THIS AMENDMENT, WHETHER SOUNDING IN CONTRACT, TORT, EQUITY OR OTHERWISE, SHALL BE GOVERNED BY THE INTERNAL LAWS (AS OPPOSED TO THE CONFLICTS OF LAW PROVISIONS) AND DECISIONS OF THE STATE OF ILLINOIS.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be executed by their respective officers thereunto duly authorized, as of the date first above written.

FOR IMMEDIATE RELEASE

DEL GLOBAL TECHNOLOGIES FILES FORM 8-K

FILES A NOTIFICATION OF LATE FILING FOR FISCAL 2002 FORM 10-K

VALHALLA, NY - November 4, 2002 -- Del Global Technologies Corp. (DGTC) ("Del" or "the Company") today announced the filing of a Form 8-K with the Securities and Exchange Commission (the "SEC") covering several recent, material corporate developments. The Company also announced that it has filed a Notification of Late Filing with the SEC, thereby triggering an automatic 15-day extension to file its Form 10-K for Fiscal 2002, which was due to be filed by November 1, 2002.

RECEIPT OF WELLS NOTICES BY TWO OUTSIDE DIRECTORS

On October 30, 2002, Del was informed that two of its outside directors, David Michael, Chairman of the Audit Committee, and Roger Winston, Chairman of the Board of Directors, received "Wells notices" from the Staff (the "Staff") of the SEC indicating that the Staff is considering whether or not to recommend the filing of a civil proceeding in connection with Del's previously reported accounting issues. These accounting issues arose prior to the arrival of Del's current management team. Before the Staff decides whether to make such a recommendation, the two directors have an opportunity to respond to the Wells notice. Del has been informed that the directors intend to respond to the Staff.

COMPANY REACHES AGREEMENT IN PRINCIPLE WITH SEC

Prior to October 30th, Del had reached an agreement in principle with the Staff of the SEC to settle claims regarding an investigation commenced by the SEC on December 11, 2000 in connection with the restatement of previously issued financial statements filed by the Company's former management team, specifically for the fiscal years 1997 through the third quarter of fiscal 2000. The proposed settlement will include a material financial penalty, and an injunction against future violations of the antifraud, periodic reporting, books and records and internal accounting control provisions of the federal securities laws. The proposed settlement is subject to, among other things, approval by the Commission and the Court. Del can give no assurance that this proposed settlement will be approved by either the Commission or the Court.

OBTAINS WAIVER OF DEFAULTS

Del has breached certain financial covenants pertaining to the fourth quarter of fiscal 2002 contained in its Loan and Security Document dated June 10, 2002 with Transamerica Business Capital Corporation ("Transamerica"). On November 1, 2002, Del received a waiver of such defaults from Transamerica in exchange for agreeing to decrease the amount available for borrowing under the credit facility by \$1.5 million until the Company is in compliance with the covenants contained therein or the covenants are revised based upon future negotiations between the parties.

NOTIFICATION OF LATE FILING OF FORM 10-K

Del also announced that it has filed a Form 12b-25 with the SEC to obtain an automatic 15-day extension to file its Form 10-K for Fiscal 2002, which was due to be filed by November 1. This action was taken to allow management adequate time to finalize its disclosures.

Del Global Technologies Corp. is primarily engaged in the design, manufacture and marketing of cost-effective medical imaging and diagnostic systems consisting of stationary and portable x-ray systems, radiographic/fluoroscopic systems, dental imaging systems and proprietary high-voltage power conversion subsystems for medical and other critical industrial applications. Industrial applications for which Del supplies power subsystems include airport explosives detection, analytical instrumentation, semiconductor capital equipment and energy exploration.

Statements about future results made in this release may constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements are based on current expectations and the current economic environment. The Company cautions that these statements are not guarantees of future performance. They involve a number of risks and uncertainties that are difficult to predict including, but not limited to, the ability of the Company to implement its business plan, management changes, changing industry and competitive conditions, obtaining anticipated operating efficiencies, securing necessary capital facilities, favorable determinations in various legal and regulatory matters and favorable general economic conditions. Actual results could differ materially from those expressed or implied in the forward-looking statements. Important assumptions and other important factors that could cause actual results to differ materially from those in the forward-looking statements are specified in the Company's filings with the Securities and Exchange Commission.

Attachment A

Net sales for fiscal year 2002 are expected to be approximately \$98.1 million, as compared to \$93.0 million in fiscal year 2001. Gross margin as a percentage of net sales for fiscal year 2002 versus fiscal year 2001 is expected to be essentially the same at 20.3%.

Operating loss is expected to be \$14.4 million for fiscal year 2002, which is \$2.6 million higher than the operating loss of \$11.8 recorded for fiscal year 2001. This increase in operating loss is mainly caused by:

- o Increased selling, general and administrative expenses -which are expected to be \$22.1 million in fiscal year 2002 as compared to \$17.3 million in fiscal year 2001, principally due to increased audit and other accounting fees of approximately \$2.5 million, increased legal fees (not included in litigation settlement costs) of approximately \$500,000 and increased consulting fees associated with organizational development, strategic planning and management information systems of approximately \$1.2 million; plus

- o Higher facilities reorganization costs - which were \$822,000 in 2001 and are expected to be \$1.3 million in fiscal 2002;

offset by

- o Lower litigation settlement costs - which were \$9.8 million in 2001 and are expected to be \$8.0 million in fiscal 2002; and

- o Increase in gross margin - of approximately \$1.1 million.

Net cash flow from operating activities is expected to be \$5.8 million for fiscal 2002 versus net cash used in operating activities of \$5.8 million on fiscal 2001.
