Del Global Technologies Corp. (the "Company") expects to report a charge in its third quarter of fiscal 2003 for possible fines and related legal and professional fees in connection with a potential comprehensive settlement of the previously disclosed Department of Defense ("DOD") investigation. Prior to preliminary discussions with the U.S. Government in June 2003, the Company had no basis to estimate the financial impact of this investigation. Based on preliminary settlement discussions with the U.S. Government, discussions with the Company's legal advisors, consideration of settlements reached by other parties in investigations of this nature, and consideration of the Company's capital resources, management has now developed an estimate of the low end of

the potential range of the financial impact. Accordingly, the Company expects to report a charge in its third quarter of fiscal 2003 of \$2,347,000, which represents its estimate of the low end of a range of potential fines and legal and professional fees.
