99.01	Press Release dated March 21, 2005

Exhibit 99.01

VALHALLA, NY - March 21, 2005 -- DEL GLOBAL TECHNOLOGIES CORP. (DGTC) ("Del Global" or "the Company") today announced that on March 21, 2005 Del Global was notified by the party with whom it signed a letter of intent for the sale of its Medical Systems Group that the buyer was terminating negotiations under the letter of intent. The letter of intent provides for a \$1.0 million payment payable in the event that no later than March 4, 2005 the buyer was ready, willing and able to enter into a definitive purchase agreement based on the terms of the letter of intent and containing reasonable and customary representations, warranties, terms and conditions relating to the transaction, and Del Global elected not to enter into such purchase agreement. The party with whom Del Global signed the letter of intent has demanded immediate payment of this \$1.0 million. Although there can be no assurance that Del Global will not have to pay the \$1.0 million, Del Global believes that no such payment is payable under the terms of the letter of intent. Del Global intends to vigorously defend any attempt by the buyer to collect such a payment.

Del Global Technologies Corp. is primarily engaged in the design, manufacture and marketing of cost-effective medical imaging and diagnostic systems consisting of stationary and portable x-ray systems, radiographic/fluoroscopic systems, dental imaging systems and proprietary high-voltage power conversion subsystems for medical and other critical industrial applications. Through its RFI subsidiary, Del Global manufactures electronic filters, high voltage capacitors, pulse modulators, transformers and reactors, and a variety of other products designed for industrial, medical, military and other commercial applications.

Statements about future results made in this release may constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements are based on current expectations and the current economic environment. Del Global cautions that these statements are not guarantees of future performance. These statements involve a number of risks and uncertainties that are difficult to predict, including, but not limited to: the ability of Del Global to implement its business plan; retention of management; changing industry and competitive conditions; obtaining anticipated operating efficiencies; securing necessary capital facilities; favorable determinations in various legal and regulatory matters; a settlement of the Department of Defense matter; that does not include a debarment from doing business with the U.S. Government; market and operating risks from foreign currency exchange exposures; and favorable general economic conditions. Actual results could differ materially from those expressed or implied in the forward-looking statements. Important assumptions and other important factors that could cause actual results to differ materially from those in the forward-looking statements are specified in the Company's filings with the Securities and Exchange Commission.
