PROXY STATEMENT
FOR
SPECIAL MEETING OF STOCKHOLDERS
TO BE HELD ON
NOVEMBER 17, 2006

INTRODUCTION

This Proxy Statement is being furnished to stockholders by the Board of Directors of DEL GLOBAL TECHNOLOGIES CORP., a New York corporation (the "Company"), in connection with the solicitation of the proxies in the accompanying form by the Board of Directors for use at the Special Meeting of Stockholders of the Company (the "Special Meeting") to be held at the principal executive offices of the Company, 11550 West King Street, Franklin Park, Illinois 60131 on Friday, November 17, 2006 at 2:00 p.m., central time, or at any adjournment or postponement thereof.

The date of this Proxy Statement is October 19, 2006, the approximate date on which this Proxy Statement and the accompanying form of proxy were first sent or given to stockholders.

GENERAL INFORMATION

PLACE AND TIME. The Special Meeting will be held at the principal executive offices of the Company, 11550 West King Street, Franklin Park, Illinois 60131 on Friday, November 17, 2006 at 2:00 p.m., central time.

RECORD DATE AND VOTING. The Board of Directors fixed the close of business on Thursday, October 12, 2006, as the record date (the "Record Date") for the determination of holders of outstanding shares of the Company entitled to notice of and to vote on all matters presented at the Special Meeting. Such stockholders will be entitled to one vote for each share held on each matter submitted to a vote at the Special Meeting. On the Record Date, there were 11,660,524 shares of the Company's Common Stock, \$.10 par value per share (the "Common Stock"), issued and outstanding, each of which is entitled to one vote on each matter to be voted upon. Stockholders may vote in person or by proxy.

PURPOSES OF THE SPECIAL MEETING. The purpose of the Special Meeting is to vote upon (i) the approval of an amendment to the Company's certificate of incorporation, as amended, to increase the aggregate number of shares of Common Stock authorized to be issued by the Company from 20,000,000 to 50,000,000; and (ii) such other business as may properly be brought before the Special

Meeting and any adjournment or postponement thereof. The Board of Directors has unanimously approved the amendment to the Company's certificate of incorporation to increase the aggregate number of shares of Common Stock authorized to be issued by the Company and recommends that the stockholders vote "for" the proposal.

QUORUM. The required quorum for the transaction of business at the Special Meeting is a majority of the votes eligible to be cast by holders of shares of Common Stock issued and outstanding on the Record Date. Shares that are voted "FOR," "AGAINST" or "WITHHELD FROM" a matter are treated as being present at the Special Meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Special Meeting (the "Votes Cast") with respect to such matter.

BENEFICIAL OWNERS. If on October 12, 2006 your shares were held in an account at a brokerage firm or at a bank or other nominee holder, you are considered the beneficial owner of shares held "in street name," and these proxy materials are being forwarded to you by your broker or nominee who is considered the stockholder of record for purposes of voting at the Special Meeting. As the beneficial owner, you have the right to direct your broker on how to vote your shares and to attend the Special Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Special Meeting unless you receive a valid proxy from your brokerage firm, bank or other nominee holder. To obtain a valid proxy, you must make a special request of your brokerage firm, bank or other nominee holder. If you do not make this request, you can still vote by using the voting instruction card enclosed with this proxy statement; however, you will not be able to vote in person at the Special Meeting.

ABSTENTIONS AND BROKER NON-VOTES. If your shares are held in "street name," your brokerage firm, under certain circumstances, may vote your shares if you do not sign and return your proxy card. Brokerage firms have authority under the rules of the New York Stock Exchange to vote customers' un-voted shares on certain "routine" matters. The proposal to approve the increase in authorized shares is NOT a routine matter. If you do not give a proxy to vote your shares, then the brokerage firm which holds your shares must leave those shares un-voted. Such shares are referred to as broker "non-votes." Broker "non-votes" and the shares of Common Stock as to which a stockholder abstains are included for purposes of determining whether a quorum of shares of Common Stock is present at a meeting. However, because the proposal requires the affirmative vote of a majority of the total outstanding shares of Common Stock entitled to vote at the Special Meeting for approval, any abstentions and broker "non-votes" will have the same legal effect as a vote against the proposal.

VOTING OF PROXIES. The Board of Directors of the Company is asking for your proxy. Giving the Board of Directors your proxy means you authorize it to vote your shares at the Special Meeting in the manner you direct. You may vote for or against the proposal or abstain from voting. All valid proxies received prior to the Special Meeting will be voted. All shares represented by a proxy will be voted, and where a stockholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specification so made. If no choice is indicated on the proxy, the shares will be voted FOR the proposal to amend the Company's certificate of incorporation to increase the aggregate number of shares of Common Stock authorized to be issued by the Company from 20,000,000 to

50,000,000 and as the proxy holders may determine in their discretion with respect to any other matters that properly come before the Special Meeting. A stockholder giving a proxy has the power to revoke his or her proxy, at any time prior to the time it is voted, by delivering to the Secretary of the Company a written instrument that revokes the proxy or a validly executed proxy with a later date, or by attending the Special Meeting and voting in person. As of the

Record Date, there were 11,660,524 shares of the Company's Common Stock issued and outstanding. The form of proxy accompanying this Proxy Statement confers discretionary authority upon the named proxyholders with respect to amendments or variations to the matters identified in the accompanying Notice of Special Meeting and with respect to any other matters which may properly come before the Special Meeting. As of the date of this Proxy Statement, management of the Company knows of no such amendment or variation or of any matters expected to come before the Special Meeting which are not referred to in the accompanying Notice of Special Meeting.

ATTENDANCE AT THE SPECIAL MEETING. Only holders of Common Stock, their proxy holders and the Company's invited guests may attend the Special Meeting. If you wish to attend the Special Meeting in person but you hold your shares through someone else, such as a stockbroker, you must bring proof of your ownership and identification with a photo at the Special Meeting. For example, you could bring an account statement showing that you beneficially owned shares of Common Stock of the Company as of the Record Date as acceptable proof of ownership.

COSTS OF SOLICITATION. The Company will bear the cost of printing and mailing proxy materials, including the reasonable expenses of brokerage firms and others for forwarding the proxy materials to beneficial owners of Common Stock. In addition to solicitation by mail, solicitation may be made by certain directors, officers and employees of the Company, or firms specializing in solicitation; and may be made in person or by telephone or telegraph. No additional compensation will be paid to any director, officer or employee of the Company for such solicitation.

PROPOSAL I

GENERAL

PROPOSAL 1: PROPOSAL TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE FROM 20,000,000 SHARES TO 50,000,000 SHARES THE AGGREGATE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED TO BE ISSUED BY THE COMPANY

In September 2006, the Board of Directors determined that it is in the best interests of the Company and its stockholders to amend the Company's certificate of incorporation to increase the number of shares of Common Stock that the Company is authorized to issue to 50,000,000 shares of Common Stock. Accordingly, the Board has unanimously approved a certificate of amendment to the certificate of incorporation of the Company and hereby solicits the approval of the Company's stockholders to such proposed certificate of amendment. If the stockholders approve the proposed certificate of amendment, the Board currently intends to file the certificate of amendment with the Secretary of State of the State of New York as soon as practicable following such stockholder approval. The additional shares of Common Stock to be authorized by adoption of the certificate of amendment would have rights identical to the currently outstanding shares of Common Stock of the Company. Adoption of the certificate of amendment would not affect the rights of the holder of currently outstanding Common Stock of the Company, except to the extent additional shares are actually issued, which may have certain effects as set forth below.

The Company currently has 20,000,000 authorized shares of Common Stock, of which 11,660,524 were outstanding as of October 12, 2006. The Company has reserved up to approximately 3,874,293 shares of Common Stock for issuance in connection with the Company's Amended and Restated Stock Option Plan, 3,399,291 of which have been granted. In addition, the Company has reserved up to approximately 940,370 shares of Common Stock for issuance in connection with

warrants to purchase shares of the Company's Common Stock pursuant to a settlement in January 2002 of a class action lawsuit. Consequently, there are 14,546,892 shares of Common Stock that are either issued or reserved for issuance, with only 5,453,108 shares of authorized Common Stock available for future issuance.

The Board of Directors believes that it is prudent to increase the authorized number of shares of Common Stock to the proposed level in order to have a sufficient number of shares of Common Stock to provide a reserve of shares available for issuance to meet business needs as they may arise in the future. Such business needs may include, without limitation, rights offerings, financings, acquisitions, establishing strategic relationships with corporate partners, providing equity incentive to employees, officers or directors, stock splits or similar transactions.

-4-

The Company currently has no commitments, arrangements, understandings or agreements, whether oral or written, regarding any issuance of any portion of the additional authorized shares of Common Stock upon the approval of Proposal 1. The Company's Board of Directors and management have recently had discussions regarding the need to raise additional capital. Among the options for raising capital currently under consideration by the Board of Directors is a rights offering under which all persons who hold shares of Common Stock as of a yet to be determined record date would receive at no cost rights to purchase shares of Common Stock at a fixed subscription price and in an amount proportional to their existing Common Stock ownership interest in the Company. If the Company determines to proceed with a rights offering, it would only do so with the understanding that a person or entity 'backstops' the rights offering by agreeing to purchase all of the shares of Common Stock underlying any unexercised rights. If the Company determines to proceed with the rights offering, a registration statement relating to the underlying securities will be filed with the Securities and Exchange Commission. These securities may not be sold, nor may offers to buy be accepted, prior to the time the registration statement becomes effective. This proxy statement shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to their registration or qualification under the securities laws of any such state.

POSSIBLE EFFECTS OF THE PROPOSED AMENDMENT TO THE CERTIFICATE OF INCORPORATION

If the stockholders approve the certificate of amendment, the Board of Directors will have the right to authorize the issuance of additional shares of Common Stock without further vote of the stockholders of the Company, except as provided under New York corporate law or under the rules of any securities exchange on which shares of Common Stock of the Company are then listed. Current holders of Common Stock have no preemptive rights or similar rights, which means that such holders do not have a prior right to purchase any new issue of Common Stock of the Company in order to maintain their percentage ownership of the Company. The issuance of additional shares of Common Stock would decrease the proportionate equity interests of the Company's current stockholders and, depending upon the price paid for such additional shares, could result in dilution to the Company's current stockholders.

Although this proposal to increase the number of shares of Common Stock has been prompted by business and financial considerations and the Company, and not by the threat of any hostile takeover attempt (nor is the Board currently aware of any such attempts directed at the Company), stockholders should be aware that approval of the amendment could facilitate future efforts by the Company to deter or prevent changes in control of the Company, including transactions in which the stockholders might otherwise receive a premium for their shares over then current market prices. For example, such shares could be privately placed with purchasers who might align themselves with the Board of

Directors in opposing a hostile takeover bid, or, without further stockholder approval, the Board could adopt a "poison pill" that would give certain stockholders the right to acquire additional shares of Common Stock at a low price, making it prohibitively expensive for the acquiror to take control.

The availability of additional shares of Common Stock is particularly important in the event that the Board of Directors is presented with an opportunity, or deems it appropriate to engage in a business transaction on an expedited basis and therefore needs to avoid the time (and expense) of seeking stockholder approval in connection with the contemplated action. If the amendment is approved by the stockholders, the Board of Directors does not intend to solicit further stockholder approval prior to the issuance of any

-5-

additional shares of Common Stock, except as may be required by applicable law or rules. The Company reserves the right to seek a further increase in the authorized number of shares from time to time as considered appropriate by the Board of Directors.

VOTES REQUIRED TO APPROVE THE AMENDMENT

The affirmative vote of the holders of a majority of the outstanding shares of Common Stock is required to approve the proposed amendment to the certificate of incorporation. Therefore, abstentions and broker non-votes will have the effect of votes against this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE IN THE PROXY.
