**PROXY STATEMENT
FOR
ANNUAL MEETING OF SHAREHOLDERS**

JANUARY 25, 2008

INTRODUCTION

This Proxy Statement is being furnished to shareholders by the Board of Directors of DEL GLOBAL TECHNOLOGIES CORP., a New York corporation (the "Company"), in connection with the solicitation of the proxies in the accompanying form for use at the 2008 Annual Meeting of Shareholders of the Company (the "Meeting") to be held at the offices of Del Global Technologies Corp., 11550 West King Street, Franklin Park, Illinois 60131 on Tuesday, February 26, 2008 at 2 p.m., central time, or at any adjournment or postponement thereof.

The date of this Proxy Statement is January 25, 2008, the approximate date on which this Proxy Statement and the accompanying form of proxy were first sent or given to shareholders.

GENERAL INFORMATION

Place and Time. The Meeting will be held at the offices of Del Global Technologies Corp., 11550 West King Street, Franklin Park, Illinois 60131 on Tuesday, February 26, 2008 at 2 p.m., central time.

Record Date and Voting. The Board of Directors fixed the close of business on Tuesday, January 22, 2008, as the record date (the "Record Date") for the determination of holders of outstanding shares of the Company entitled to notice of and to vote on all matters presented at the Meeting. Such shareholders will be entitled to one vote for each share held on each matter submitted to a vote at the Meeting. On the Record Date, there were 24,184,569 shares of the Company's common stock, \$0.10 par value per share (the "Common Stock"), issued and outstanding, each of which is entitled to one vote on each matter to be voted upon. Shareholders may vote in person or by proxy.

Purposes of the Meeting. The purpose of the Meeting is to vote upon (i) the election of four (4) directors for the ensuing year; (ii) the ratification of the appointment of BDO Seidman, LLP as our independent registered public accountants for the fiscal year ending August 2, 2008; and (iii) such other business as may properly be brought before the Meeting and any adjournment or postponement thereof.

Quorum. The required quorum for the transaction of business at the Meeting is a majority of the votes eligible to be cast by holders of shares of Common Stock issued and outstanding on the Record Date. Shares that are voted "FOR," "AGAINST" or "WITHHELD FROM" a matter are treated as being present at the Meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Meeting (the "Votes Cast") with respect to such matter.

Abstentions and Broker Non-Votes. Broker “non-votes” and the shares of Common Stock as to which a shareholder abstains are included for purposes of determining whether a quorum of shares of Common Stock is present at a meeting. A broker “non-vote” occurs when a nominee holding shares of Common Stock for the beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Neither broker “non-votes” nor abstentions are included in the tabulation of the voting results on the election of directors or issues requiring approval of a majority of the Votes Cast and, therefore, they do not have the effect of votes in opposition in such tabulations.

Voting of Proxies. The Board of Directors of the Company is asking for your proxy. Giving the Board of Directors your proxy means you authorize it to vote your shares at the Meeting in the manner you direct. You may vote for all, some or none of the director nominees. You may also vote for or against the other proposals or abstain from voting. All valid proxies received prior to the Meeting will be voted. All shares represented by a proxy will be voted, and where a shareholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specification so made. If no choice is indicated on the proxy, the shares will be voted FOR the Company’s four (4) director nominees, FOR the ratification of the appointment of BDO Seidman, LLP as the Company’s independent registered public accountants for the fiscal year ending August 2, 2008 and as the proxy holders may determine in their discretion with respect to any other matters that properly come before the Meeting. A shareholder giving a proxy has the power to revoke his or her proxy, at any time prior to the time it is voted, by delivering to the Secretary of the Company a written instrument that revokes the proxy or a validly executed proxy with a later date, or by attending the Meeting and voting in person. The directors receiving a plurality of Votes Cast will be elected to fill the seats of our Board of Directors. The affirmative vote of a majority of the Votes Cast is required to ratify the appointment of the independent registered public accountants. As of the Record Date, there were 24,184,569 shares of the Company’s Common Stock issued and outstanding. The form of proxy accompanying this Proxy Statement confers discretionary authority upon the named proxyholders with respect to amendments or variations to the matters identified in the accompanying Notice of Meeting and with respect to any other matters which may properly come before the Meeting. As of the date of this Proxy Statement, management of the Company knows of no such amendment or variation or of any matters expected to come before the Meeting which are not referred to in the accompanying Notice of Annual Meeting.

Attendance at the Meeting. Only holders of Common Stock, their proxy holders and the Company’s invited guests may attend the Meeting. If you wish to attend the Meeting in person but you hold your shares through someone else, such as a stockbroker, you must bring proof of your ownership and identification with a photo at the Meeting. For example, you could bring an account statement showing that you beneficially owned shares of Common Stock of the Company as of the Record Date as acceptable proof of ownership.

Costs of Solicitation. The cost of soliciting proxies will be borne by the Company. Such costs include the reasonable expenses of brokerage firms and others for forwarding the proxy materials to beneficial owners of Common Stock. In addition to solicitation by mail, solicitation may be made by certain directors, officers and employees of the Company, or firms specializing in solicitation; and may be made in person or by telephone or telegraph. No additional compensation will be paid to any director, officer or employee of the Company for such solicitation.

Certain Financial Information. Please take note that the Company’s Annual Report on Form 10-K for the fiscal year ended July 28, 2007 (the “2007 Annual Report”) (without exhibits) is enclosed with this Proxy Statement.

Any shareholder of the Company may obtain without charge copies of the 2007 Annual Report, including the Company's certified financial statements and any exhibits, as filed with the Securities and Exchange Commission (the "Commission"), by writing to the corporate secretary, Del Global Technologies Corp., 11550 West King Street, Franklin Park, Illinois 60131.

Audit Committee

The Audit Committee is responsible for reviewing the financial information that will be provided to shareholders and others, the systems of internal controls, which management and the Board of Directors have established, the performance and selection of independent auditors, and the Company's audit and financial reporting processes. The Audit Committee held 5 meetings during the last fiscal year. The Board of Directors has determined that Mr. Czarnecki is an "audit committee financial expert" as defined in Item 407(d) of Regulation S-K. Although the Company is currently not listed on any exchange, each of Mr. Czarnecki and the other member of the Audit Committee is an "independent director" as defined in Rule 4200 of the Marketplace Rules of NASDAQ.

Compensation Committee

The basic responsibility of the Compensation Committee is to review the performance and development of management in achieving corporate goals and objectives and to ensure that the Company's senior executives are compensated effectively in a manner consistent with the Company's strategy, competitive practice, and the requirements of the appropriate regulatory bodies. Toward that end, the Compensation Committee oversees all of the Company's compensation, equity and employee benefit plans and payments, including the Company's Option Plan (as defined herein). This committee held one formal meeting during the last fiscal year and also included compensation discussions and stock option grant award approvals on a routine basis during Board meetings held during the last fiscal year. Although the Company is not listed on any exchange, each of the members of the Compensation Committee is an "independent director" as defined in Rule 4200 of the Marketplace Rules of NASDAQ, and an "outside director" as defined in Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code").

Nominating Committee

The Nominating Committee is responsible for recommending to the full Board of Directors candidates for election to the Board of Directors. This committee held one meeting during the last fiscal year. The Nominating Committee considers nominees proposed by shareholders. To recommend a prospective nominee for the Nominating Committee's consideration, shareholders should submit the candidate's name and qualifications to the corporate secretary in writing to the following address: Del Global Technologies Corp., 11550 West King Street, Franklin Park, Illinois 60131, Attn: James A. Risher, with a copy to the Company's General Counsel at the following address: Olshan Grundman Frome Rosenzweig & Wolosky LLP, Park Avenue Tower, 65 East 55th Street, New York, New York 10022, Attn: Jeffrey Spindler, Esq. Each member of this committee is an "independent director" as defined in Rule 4200 of the Marketplace Rules of NASDAQ.

In considering Board candidates, the Nominating Committee takes into consideration the Company's Corporate Governance Guidelines, the Company's policy regarding shareholder recommended director candidates, as set forth above, and all other factors that it deems appropriate, including, but not limited to, the individual's independence, character, education, experience, knowledge and skills. The Nominating Committee will also consider: the extent of the individual's experience in business, education or public service; his or her ability to bring a desired range of skills, diverse perspectives and experience to the Board; and whether the individual possesses high ethical standards, a strong sense of professionalism and is capable of serving the interests of shareholders. In addition to reviewing a candidate's background and accomplishments, candidates for director nominees are reviewed in the context of the current composition of the Board and the evolving needs of the Company's businesses. It is the Board's policy that at all times at least a majority of its members meet the standards of independence promulgated by the NASD and the SEC and as set forth in the Company's Corporate Governance Guidelines. Additionally, the Nominating Committee will consider the number of boards on which the candidate already serves when assessing whether the candidate has the appropriate time to devote to Board service.

Except as set forth above, the Nominating Committee does not currently have a formal policy regarding the handling or consideration of director candidate recommendations received from a shareholder, or a formal process for identifying and evaluating nominees for directors (including nominees recommended by shareholders). These issues will be considered by the Committee, which will then make a recommendation to the Board.

Director Compensation

Director compensation is more fully described below in the “Director Compensation Table” located in the “Executive Compensation” portion of this Proxy Statement.

EXECUTIVE AND DIRECTOR COMPENSATION

Compensation Discussion and Analysis

This compensation discussion and analysis describes the elements of compensation paid to each of the named executive officers who served in the fiscal year ended July 28, 2007. The discussion focuses primarily on the information contained in the following tables and related footnotes but may also describe compensation actions taken before or after the last completed fiscal year to the extent that such discussion enhances understanding of our compensation philosophy or policies. The Compensation Committee of the Board oversees the design and administration of our executive compensation program.

Role of the Compensation Committee

The Compensation Committee is responsible for ensuring that the Company's executive compensation policies and programs are competitive within the markets in which the Company competes for talent and reflect the long-term investment interests of our shareholders. The Compensation Committee reviews and approves the executive compensation and benefits programs for all the Company's executive officers annually, usually in the first quarter of each fiscal year. Any options that are granted as a result of the Compensation Committee's executive compensation review and approval process are only granted upon full Board approval of the option grant. The strike price of such options is set at the closing price of the Company's stock on the day the options were granted.

With respect to the Chief Executive Officer ("CEO"), the Compensation Committee reviews and approves corporate goals and objectives, evaluates the CEO's performance against these objectives, and makes recommendations to the Board regarding the CEO's compensation level based on that evaluation.

The CEO participates, together with the Compensation Committee, in the executive compensation process by:

- approving perquisites valued at less than \$10,000 per year (all perquisites valued at greater than this amount are still approved by the Compensation Committee);
- participating in informal discussions with the Compensation Committee regarding satisfaction of performance criteria by executive officers, other than the CEO;
- providing the Board with recommendations as to who should participate in the Del Global Incentive Stock Plan and the size of option grants to such participants; and
- assigning annual budget goals and other objectives that determine bonus awards for the CFO.

Compensation Philosophy and Objectives

The Compensation Committee is responsible for ensuring that the Company's executive compensation policies and programs are competitive within the markets in which the Company competes for talent and reflect the long-term investment interests of our shareholders. The goal of the executive compensation program is to (a) attract, retain and reward executive officers who contribute to the Company's success and (b) align executive compensation with the achievement of the Company's business objectives and the creation of longer-term value for shareholders. The Compensation Committee also strives to balance short and long-term incentive objectives by establishing goals, performance criteria, evaluating performance and determining actual incentive awards that are both effective and efficient. While the Compensation Committee believes that stock ownership by executive officers is an effective way of aligning the common interests of management and shareholders to enhance shareholder value, the Company has not established equity ownership guidelines for its executive officers.

Relationship of Company Performance to Executive Compensation

When determining executive compensation, the Compensation Committee also takes into account the executives' performance in special projects undertaken during the past fiscal year, contribution to improvements in our financial situation, development of new products, marketing strategies, manufacturing efficiencies and other factors. During the 2007 fiscal year, the Compensation Committee focused particularly on progress with respect to improvement in the Company's revenue growth, operating earnings and the development of a long-term strategic plan for the Company that provides a platform for growth and a return to shareholders.

Satisfaction of certain performance criteria (including initiative, contribution to overall corporate performance and managerial ability) is evaluated after informal discussions with other members of the Board and, for all of the executives other than the CEO, after discussions with the CEO. No specific weight or relative importance was assigned to the various qualitative factors and compensation information considered by the Compensation Committee. Accordingly, the Company's compensation policies and practices may be deemed subjective, within an overall published framework based on both the financial and non-financial factors.

Elements of Compensation

The Company's compensation program is comprised primarily of four elements: base salary, annual cash bonuses, long-term equity incentives and perquisites. Together, these four elements are structured by the Compensation Committee to provide our named executive officers with cumulative total compensation consistent with our executive compensation philosophy described above. Each of these elements plays an important role in balancing executive rewards over short- and long-term periods, based on our program objectives.

1. Base Salary

Our base salary levels reflect a combination of factors, including competitive pay levels relative to our peers, the executive's experience and tenure, our overall annual budget for merit increases and pre-tax profit, the executive's individual performance, and changes in responsibility. We review salary levels annually to recognize these factors. We do not target base salary at any particular percent of total compensation. The base salary for our CEO and CFO is set forth in their employment agreements, which are described in more detail below.

Our executive salary levels are intended to be consistent with competitive salary levels and job responsibilities of each executive. Salary increases reflect competitive and economic trends, our overall financial performance and the performance of the individual executive.

2. Annual Cash Bonuses

The purpose of the annual cash bonus is to provide a competitive annual cash incentive opportunity that rewards both the Company's performance toward corporate goals and objectives and also individual achievements. The annual bonus is a short-term annual incentive paid in cash pursuant to arrangements that cover all executive officers, including the CEO, and provide that a bonus will be paid upon the achieving the Company's annual budget and attaining specific objectives assigned by the Board of Directors of the Company. For fiscal year 2007, our CEO and CFO were eligible to receive an annual bonus with a target of 60% and 45% of their annual base salary respectively.

3. Long Term Equity Incentives

A. Del Global Stock Option Plan

The purpose of the Del Global Amended and Restated Stock Option Plan (the "DGTC Plan"), is to provide for the granting of incentive stock options and non-qualified stock options to the Company's executive officers, directors, employees and consultants. The Compensation Committee administers the DGTC Plan. Among other things, the Compensation Committee: (i) determines participants to whom options may be granted and the number of shares to be granted pursuant to each option, based upon the recommendation of our chief executive officer; (ii) determines the terms and conditions of any option under the DGTC Plan, including whether options will be incentive stock options, within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or non-qualified stock options; (iii) may vary the vesting schedule of options; and (iv) may suspend, terminate or modify the DGTC Plan. Any Compensation Committee recommendations of awards, options or compensation levels for senior executive officers are approved by the entire Board, excluding any management directors.

Under the DGTC Plan, incentive stock options have an exercise price equal to their fair market value as of the grant date and, unless earlier terminated, are exercisable for a period of ten (10) years from the grant date. Non-qualified stock options may have an exercise price that is less than, equal to or more than the fair market value on the grant date and, unless earlier terminated, are exercisable for a period of up to ten (10) years from their grant date.

For the fiscal year ended July 28, 2007, under the terms of the DGTC Plan, the Company granted (a) James A. Risher an option to purchase 120,000 shares of the Company's Common Stock and (b) Mark A. Zorko, through two separate option grants, the first being options to purchase 60,000 shares of the Company's Common Stock and the second being options to purchase 20,000 shares of the Company's Common Stock.

B. 2007 Incentive Stock Plan

The 2007 Incentive Stock Plan (the "2007 Plan") is designed to provide an incentive to, and to retain in the employ of the Company and any Subsidiary of the Company, within the meaning of Section 424(f) of the United States Internal Revenue Code of 1986, as amended, directors, officers, consultants, advisors and employees with valuable training, experience and ability; to attract to the Company new directors, officers, consultants, advisors and employees whose services are considered valuable and to encourage the sense of proprietorship and to stimulate the active interest of such persons in the development and financial success of the Company and its Subsidiaries.

The 2007 Plan is administered by the Compensation Committee, which has full power and authority to designate recipients of options (as defined in the 2007 Plan) and restricted stock under the 2007 Plan and to determine the terms and conditions of the respective option and restricted stock agreements and to interpret the provisions and supervise the administration of the 2007 Plan. The Compensation Committee also has the authority to designate which options granted under the 2007 Plan will be incentive options and which shall be nonqualified options.

4. Perquisites

The Company's compensation program also includes other benefits and perquisites. These benefits include annual matching contributions to certain executive officers' 401(k) plan accounts, car allowances, living allowances and tax gross-ups to cover taxes on certain benefits. We are selective in our use of perquisites, attempting to utilize perquisites that are within range of modest to competitive within our industry. The Compensation Committee has delegated authority to the CEO to approve such perquisites for other executive officers, but the Compensation Committee must separately approve any perquisites that exceed \$10,000 per year.

Impact of Tax and Accounting

As a general matter, the Compensation Committee always considers the various tax and accounting implications of compensation elements employed by the Company and attempts to structure such compensation in a tax efficient manner. When determining amounts of long-term incentive grants to executives and employees, the Compensation Committee examines the accounting cost associated with the grants.

Current compensation levels for our named executive officers are significantly lower than \$1 million at which tax deductions are limited under Internal Revenue Code Section 162(m). In the event that future annual total compensation for any named executive officer exceeds the \$1 million threshold, the Compensation Committee intends to balance tax deductibility of executive compensation with its responsibility to retain and motivate executives with competitive compensation programs. As a result, the Compensation Committee may take such actions as it deems in the best interests of shareholders, including: (i) provide non-deductible compensation above the \$1 million threshold; (ii) require deferral of a portion of the bonus or other compensation to a time when payment may be deductible by the Company; and/or (iii) modify existing programs to qualify bonuses and other performance-based compensation to be exempt from the deduction limit.

Under Statement of Financial Accounting Standards 123 (revised 2004) (“FAS 123R”), which the Company adopted effective July 31, 2005, the Company measures the cost of employee services received in exchange for an award of equity instruments based on the grant date fair value of the award. That cost is then recognized over the period in which the employee is required to provide the services - the requisite service period (usually the vesting period) - in exchange for the award. The grant date fair value for options and similar instruments is estimated using option pricing models. Under SFAS 123 (R), the Company is required to select a valuation technique or option pricing model that meets the criteria as stated in the standard, which includes a binomial model and the Black-Scholes model. At the present time, the Company is continuing to use the Black-Scholes model. The adoption of SFAS 123 (R), applying the “modified prospective method,” as elected by the Company, requires the Company to value stock options granted prior to its adoption of SFAS 123 (R) under the fair value method and expense the related unvested amounts over the remaining vesting period of the stock options.

The following table sets forth all compensation awarded to, paid to or earned by the following type of executive officers for the fiscal year ended July 28, 2007: (i) individuals who served as, or acted in the capacity of, the Company’s principal executive officer for the fiscal year ended July 28, 2007; (ii) individuals who served as, or acted in the capacity of, the Company’s principal financial officer for the fiscal year ended July 28, 2007; (iii) the Company’s most highly compensated executive officers, other than the chief executive and chief financial officer, who were serving as executive officers at the end of the fiscal year ended July 28, 2007 (of which there were none) and (iv) up to two additional individuals for whom disclosure would have been provided but for the fact that the individual was not serving as an executive officer of the Company at the end of the fiscal year ended July 28, 2007 (of which there was one). Mr. Koch served as the Company's Treasurer and Principal Accounting Officer until October 30, 2006.

The Company entered into a Separation Agreement and General Release dated as of September 7, 2006, (the "Koch Separation Agreement") with Mark A. Koch, the Company's former Principal Accounting Officer. The Koch Separation Agreement was filed as Exhibit 99.01 to the Company's Current Report on Form 8-K filed on September 7, 2006. The Koch Separation Agreement provided that Mr. Koch's last day of employment with the Company will be the first business day following the filing by the Company with the SEC of its Annual Report on Form 10-K for the fiscal year ending July 29, 2006, but in no event later than November 30, 2006, unless mutually agreed in writing by the parties (the "Termination Date"). The Separation Agreement also provided for a payment of one (1) year's base salary payable pro-rata over 12 months by the Company to Mr. Koch commencing with the first pay-day following the Termination Date; provided, however, that in the event the Company sells any of its assets or the assets of any of its U.S. Subsidiaries for cash and such sale results in net cash proceeds to the Company of at least \$5.0 million, then the Company shall pay to Mr. Koch any balance outstanding of the severance payment within ten (10) days after receipt by the Company of such net cash proceeds from such asset sale. The Koch Separation Agreement supersedes a certain former Severance Benefits Agreement, dated May 23, 2005, between the Company and Mr. Koch, except that the terms and conditions of Article IV of the former Severance Benefits Agreement which concern obligations with respect to Company confidential information and trade secrets, survive and remain in full force and effect.

***This Compensation Committee Report is not deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as Amended, or the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under either such Acts.**

Compensation Committee Interlocks and Insider Participation

The Stock Option and Compensation Committee consists of Merrill A. McPeak as Chairman, Gerald M. Czarnecki and James R. Henderson. None of these individuals were at any time during the fiscal year ended July 28, 2007 or at any other time one of our officers or employees. Other than Mr. Risher, the Company's CEO, none of our executive officers serve as a member of the Board or the Compensation Committee of any other entity which has one or more executive officers serving as a member of our Board or Compensation Committee

Certain Relationships and Related Transactions

Review, Approval Or Ratification Of Transactions With Related Persons

During fiscal 2007, the Company had a policy for the review of transactions in which the Company was a participant, the amount involved exceeded \$120,000 and in which any of the Company's directors or executive officers, or their immediate family members, had a direct or indirect material interest. Any such related person transaction was to be for the benefit of the Company and upon terms no less favorable to the Company than if the related person transaction was with an unrelated party. While this policy was not in writing during fiscal 2007, the Company's Board of Directors was responsible for approving any such transactions and the CEO was responsible for maintaining a list of all existing related person transactions. There were no related person transactions during fiscal 2007.

PROPOSAL II

RATIFICATION OF THE APPOINTMENT OF BDO SEIDMAN, LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR ENDING AUGUST 2, 2008.

Upon the recommendation of the Audit Committee, the Board has selected BDO Seidman as our independent registered public accounting firm for the fiscal year ending August 2, 2008. While shareholder ratification is not required by the Company's By-laws or otherwise, the Board of Directors is submitting the selection of BDO Seidman to the shareholders for ratification as part of good corporate governance practices. If the shareholders fail to ratify the selection of BDO Seidman, the Board may, but is not required to, reconsider whether to retain BDO Seidman. Even if the selection is ratified, the Board in its discretion may direct the appointment of different independent registered public accountants at any time during the year if it determines that such a change would be in the best interest of the Company and its shareholders. Representatives of BDO Seidman will be present at the Meeting, will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from shareholders in attendance.

Audit Fees

The aggregate fees billed by BDO Seidman, LLP for professional services rendered for the audit of our annual financial statements set forth in our Annual Report on Form 10-K for the fiscal years ended July 28, 2007 and July 29, 2006 and for the reviews of the interim financial statements included in our Quarterly Reports on Form 10-Q for those fiscal years were \$290,650, and \$277,000, respectively.

Audit-Related Fees

There were no fees billed by BDO Seidman, LLP for Audit-Related services for the fiscal years ended July 28, 2007 and July 29, 2006.

Tax Fees

The aggregate fees billed by BDO Seidman, LLP for tax services for the fiscal years ended July 28, 2007 and July 29, 2006 were \$71,665 and \$139,737, respectively. In both fiscal years, these fees related to tax planning and consulting work.

All Other Fees

There were no fees for other professional services rendered during the fiscal years ended July 28, 2007 and July 29, 2006.

The Audit Committee's policy is to pre-approve services to be performed by the Company's independent registered public accountants in the categories of audit services, audit-related services, tax services and other services. Additionally, the Audit Committee will consider on a case-by-case basis and, if appropriate, approve specific engagements that are not otherwise pre-approved. The Audit Committee has approved all fees and advised us that it has determined that the non-audit services rendered by BDO Seidman, LLP during our most recent fiscal year are compatible with maintaining the independence of such auditors.

THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE OUTSTANDING SHARES OF COMMON STOCK PRESENT IN PERSON OR REPRESENTED BY PROXY AND ENTITLED TO VOTE ON THIS MATTER AT THE MEETING IS REQUIRED TO RATIFY THE SELECTION OF BDO SEIDMAN AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING AUGUST 2, 2008.

Recommendation

THE COMPANY'S BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF BDO SEIDMAN, LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR ENDING AUGUST 2, 2008.

AUDIT COMMITTEE REPORT

The Audit Committee operates pursuant to a written charter adopted by the Board of Directors.

The role of the Audit Committee is to assist the Board of Directors in its oversight of our financial reporting process, as more fully described in this Proxy Statement. As set forth in the Audit Committee Charter, our management is responsible for the preparation, presentation and integrity of our financial statements, our accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Our independent auditors are responsible for auditing our financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has reviewed and discussed the audited financial statements with the management of the Company and has discussed matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380), as modified or supplemented, with BDO Seidman, LLP, the Company's independent auditors for the fiscal year ended July 28, 2007. The Audit Committee has received the written disclosures and the letter from BDO Seidman, LLP, as required by the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as modified or supplemented, and has discussed with BDO Seidman, LLP the independence of BDO Seidman, LLP. The Audit Committee also considered whether BDO Seidman, LLP's non-audit services, including tax planning and consulting, are compatible with maintaining BDO Seidman, LLP's independence.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended July 28, 2007 filed with the Commission.

SHAREHOLDER PROPOSALS

Deadline for Receipt of Shareholder Proposals

Shareholder proposals that are intended to be presented at the Company's 2009 annual meeting of shareholders must be received by the Company at the Company's principal executive office located at 11550 West King Street, Franklin Park, Illinois 60131 no later than October 29, 2008 in order to be included in the proxy statement for that meeting. Discretionary Voting Authority

On May 21, 1998, the SEC adopted an amendment to Rule 14a-4, as promulgated under the Exchange Act. The amendment to Rule 14a-4(c)(1) governs the Company's use of its discretionary proxy voting authority with respect to a shareholder proposal that is not addressed in the Company's proxy statement. This amendment provides that if the Company does not receive notice of a proposal at least 45 days prior to the first anniversary of the date of mailing of the prior year's proxy statement, then the Company will be permitted to use its discretionary voting authority when the proposal is raised at the annual meeting, without any discussion of the matter in the proxy statement. The date by which such notice must be received by the Company for the 2009 annual meeting is January 12, 2009. If during the prior year the Company did not hold an annual meeting, or if the date of the annual meeting has changed more than 30 days from the prior year, then notice must not have been received a reasonable time before the Company mails its proxy materials in order for the Company to be allowed to use its discretionary voting authority when the proposal is raised.

Other Matters to be Considered at the Annual Meeting

As of the date of this Proxy Statement, management knows of no matters other than those set forth herein which will be presented for consideration at the Meeting. If any other matters properly come before the Meeting, or any continuation of the Meeting pursuant to adjournment or postponement thereof, it is the intention of the persons named in the enclosed form of proxy to vote the shares they represent as the Board may recommend.
